WELCOME

Dear Kingdom Financiers,

October has been a very special month, the month of Anointing. In this month I have taught you about the importance of the anointing and how it relates to your money. It is not money that enables you to do your calling, it is the anointing!

Psalm 45:7

Thou lovest righteousness, and hatest wickedness: therefore God, thy God, hath anointed thee with the oil of gladness above thy fellows.

It is not money that enables you to do your calling, it is the anointing. The anointing is busy working on your subconscious. If God has called you, put your eyes on your anointing! The anointing changes everything. Allow the anointing to do the work for you!

Reinforcement Anointing oil

This month I also sent you the reinforcement anointing oil. This is in order to reinforce, strengthen and fortify every promise that God has spoken over your life. You shall never go down! You shall never sink! You are called and anointed to sponsor the Kingdom, and no matter what, defeated you shall never be!

With the Reinforcement Anointing oil, came the following Prophetic instructions:

1. Mix the Anointing oil with water
2. Anoint yourself
3. Use the Remaining water to wash your feet

It is done!

Money doesn't produce faith, but faith produces money!

Mark 11:24

Whatever you ask for when you pray believe that you received it, and you will have it!

How can I believe in order to produce instant results? Money can't produce faith but Faith produces money. What are you believing God for? Believe that you have received and it shall be yours. Faith is the title deed. Your faith is the key to producing the desired results! What are you praying for? As long as You pray for it, you have it. Faith does not wait for results - that's hope.

Mark 11:24

"What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them"

Time is described in when - when you pray believe that you have received - in the course of prayer you have received - when you say amen it is yours!

In this month of Anointing, you have been anointed for your calling; for the Lord to give you finances to fulfill your mandate as a Kingdom sponsor. Doors of Finances have opened for you! Receive it in Jesus name!

CROSSOVER 2022/2023 - NIGHT OF DELIVERANCE

The biggest event of the year is fast approaching. Crossover 2022-2023 - The night of Deliverance! This year we will have the grandest crossover ever - Proudly sponsored by you, Kingdom Financing Millionaires!

As we gear ourselves up, we will be having Fund raiser meetings leading up the the big day! Get ready for the grandest night of the year. All thanks to you. I have no doubt that you are well able to sponsor this event. I know God has given you the resources. Stretch your faith, believe and watch as the Lord uses you!

You were born for this!

Hold on tightly to your word of Prophecy!

Do you remember the prophecies that have been spoken over your life for the past weeks or months?

Jer 1:12 GNV

"I am watching to see that my words come true." Even the Lord watches over His word to see it manifest, so should you!"

Hold steadfastly to that spoken word, watch over it until it comes to pass. What makes people enjoy the benefits of having a Prophet is not when he makes a prayer for them - but when they hold on to what the Prophet said and believe in what he said.

I love you and I am praying for you!

PARTNERS EXCLUSIVE MIDNIGHT PRAYER

with Major 1

On the 14th of October 2022, the prophet extended an invitation to a few Kingdom Financiers for an exclusive all night prayer session in Malawi.

The prophet connected with his partners during the evening prayer and anointing service. The prayer program consisted of Bishop Matoga and one of his associates who were personally invited by the Prophet. A sweet-smelling aroma was raised as prayer and intercession continued till the break of dawn.

On the 15th of October the Kingdom Financiers visited the chapel in Goshen, For an extraordinary time in the Presence of God. Bishop Matoga together with his associate lead the group in bible study and through moments of worship. In the interim, the prophet had gone to have time spent with God to download a fresh, timely rehma word for each of the Kingdom Financiers present - An oracle prepared for each and every partner, What Glory!

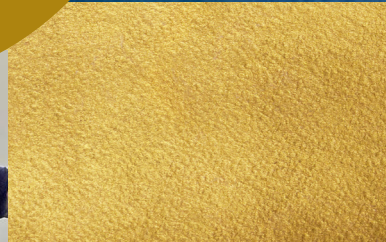

After the Prophet had an intense session with God, he joined the Kingdom Financiers who were in the Chapel, the atmosphere was infused with God's glory; light entered the room, and a shift in dimensions could be felt.

PARTNERS EXCLUSIVE MIDNIGHT PRAYER

”
*There was a shift,
an increase in dimensions,
a complete turnaround, and a great
assurance of miracles. This was
truly a remarkable experience
ordained by God. Great Honour
and Favour was bestowed on each
Kingdom Financier present. This
was the doing of the Lord, and
it was marvellous
in our sight.*

Everyone was in awe of the Magnitude, depth, and bone chilling reality of God's voice. The Kingdom Financiers bowed their knees in worship, reverence and honour to the Lord who entered a man and spoke as Himself. Faces dripped with tears of joy, some, in astonishment at what was taking place.

KFM MONTHLY MEETING HOSTED BY THE UK

On the 1st of October 2022, Kingdom Financiers from the UK gathered at the Renaissance Hotel in London, along with kingdom financiers from neighbouring countries such as Germany, Switzerland, Ireland, and the Netherlands.

The event took off on a high note with great excitement and expectation for the power packed programme lined up for the day. The guests were led into praise and worship by a remarkable ministration by the angelic voices of The Jesus Nation Church UK choir who ignited the room. This was followed by a powerful intercession led by our own kingdom financiers Sister Joan (Germany) and Sister Margret (UK).

During the event kingdom financiers had an opportunity to showcase their businesses in the form of live exhibitions, networking as well as discussing kingdom matters. A unique touch to the event was the "royalty" inspired theme where guests honoured the late Queen by dressing to the occasion in royalty inspired regalia.

Following this, was a powerful testimony segment where kingdom financiers shared their testimonies and the incredible miracles that the Lord had performed in their lives.

One of the heart-warming moments during this segment was hearing from the Youth Magnets who shared testimonies about the miracles that the Lord had done for them. It was a blessing to hear how the Lord is raising the next generation of kingdom financiers.

The evening closed off with a special Prophets partnership teaching quiz, where guests were given an opportunity to answer questions from previous prayer sessions, where the Prophet dropped jewels of knowledge. Those who answered correctly were awarded with gifts courtesy of KFMI.

TESTIMONIES - UK YOUTH MAGNETS

Being a young a person and partnering with the prophet has helped me in many ways. I see the grace that comes with it manifesting in my business, as well as in other spheres of my life.

Last month I was able to set up my Own foundation called the Dot-to-Dot foundation, where I went to a remote area in Zimbabwe called Kasawe, where my dad grew up and went to school. I was able to donate underwear and sanitary pads to the girls in primary and secondary school. This is something that has always been on my mind, and I always dreamt of doing it one day - but it is only after I started partnering with the prophet, where I started seeing motion, and my dream becoming a reality - Shalom Bako, UK Youth Magnet

CANADA

We know that Kingdom Financing is your Passion, tell us more about yourself.

My wife and I have been serving the Lord from our youth. We have been married for 32yrs. We have 2 adult sons, and we live near the west coast of Canada. Living in a northern climate, we enjoy skiing in the winter.

What was the driving force behind your decision to partner with the Prophet?

We started watching Prophetic Channel on YouTube in late 2019. We were amazed at what we saw. Over the next several months we watched every video we could find on YouTube. After a while we realized that prophetic channel broadcast the Sunday service, so we watched the service as if we were "attending" the meeting live. We loved how interactive the service was.

This was something totally unfamiliar to us living in North America. In all of our Christian lives, we had never witnessed so many people getting actual real help in their lives. The Deliverance, the healings, the working of miracles through the prophet was so outstanding that we wanted to participate in this ministry with our giving - so we started to give. As we did the Lord started to reveal to us over many months that our calling & destiny is to finance the kingdom at which point, we committed to be kingdom financiers.

How has your life evolved ever since you renewed your Membership with KFM?

Shortly after becoming KFM partners this is what happened. Our youngest started to watch Major1 on YouTube. This was a miracle in itself as he was not connecting with us in any way. He was struggling with a few addictions.

He opened his heart to the Lord through watching and started to walk a path towards deliverance. His changed life impacted our oldest son so much that he rededicated his life to the Lord when he came for a visit and saw how much his brother had changed. My wife received a physical healing for her shoulder, and healing for her fractured wrist.

How Have you incorporated the 6 Characteristics of a financial Prophet in Your life?

Since being anointed by our Father as financial prophets, we have shifted our mindset and view of money to finance the kingdom of God, by being intentional and Spirit led with our finances. We now know that money is truly for building the kingdom.

How can KFMI Extend its reach internationally?

Being able to watch prophetic channel on Roku & Apple TV should really help with viewership in North America.

In your opinion what is the fundamental role of Kingdom Financing Millionaires of the Jesus Nation in this final Dispensation.

To facilitate the physical needs of the house of God, the work of God – finance the gospel, and the prophet of God.

What impact are you set to make, as a Financial Prophet?

To showcase the glory of God through financing the Jesus Nation takeover of the Seven Mountains.

Tell us more about the industry you operate in?

I work in the construction industry as an electrical contractor with my brother who is also my business partner.

What are the 3 key Business/Life Principles that have carried you through?

- Hard work – working as unto the Lord
- Determination – not giving up
- A pursuit for excellence

Which Key areas does your business specialize in?

We specialize in luxury features for custom homes such as Audio/Visual systems, Lighting control, powered blinds & window coverings, automation systems, and security systems.

USA

October 2022 is declared by our prophet as Global Charity Week and has been celebrated worldwide by Kingdom Financiers International, through acts of giving.

In light of this, Partners of Kingdom Financiers USA took to the streets of North Dakota and Minnesota, USA to reach out to the needy; first with spiritual food from The Daily Parach coupled with bags full of physical food items. KFM USA used this opportunity to also commission THE BLESSING BOX PROJECT. This project is created to enable partners donate monthly to send love in the form of groceries to partners who for the reason of a seasonal change may need some form of assistance to get by until they see their breakthrough. It is our message in to them in relation to James 2:15-17 and 1 Timothy 5:8 that they are not forgotten and we are one big family. We excitedly look forward to doing this possibly on a monthly basis, God willing and to see it expand and grow to benefit thousands and thousands of families especially those who have become a part of this great mission.

To all those who gave, on behalf of Prophet Shepherd Bushiri and Prophetess Mary Bushiri, because gave so someone will not hunger, may hunger never know your address in the mighty Name of Jesus Christ.

From all of us at KFM USA, Coordinator, Core Team Leaders and Partners, we express our greatest gratitude to mom and dad for granting us the opportunity to serve with them in charity.

TESTIMONIES SEPTEMBER TO REMEMBER

”
*Testify
today!*”

Maipelo Tshoso

I have been unemployed for a few months. My last contract ended at the end of March 2022. On day 1 of Rosh Hashana, I received a call from the institution which I was previously employed, they requested that I bring my certificates. The following day when I arrived for the interview, they gave me a contract of 2 months to work effective immediately. I know it is the God of Major 1 because there were people who had been waiting for a long time to hear from the same company, for this specific position, but were never called. I give glory to God! For I know this is just the beginning. I will be receiving a salary of P16 812.00 per month which is almost 3 times the amount I was earning from my last employment

*Eric
Musoma*

In the month of September, after I made a certain donation, God of Major 1 gave me a UK visa. In 2004 I lived in the UK, and I went home for a holiday in the country I come from. I was helping people to get visas illegally, and my own visa got canceled and blacklisted to never travel to Europe again. For almost 18yrs I struggled to travel back; but as we speak, I am now in the UK. I pray and believe, that as I am living in the UK, I will receive a job and keep financing the Kingdom. Thank you, Dad, for changing my life and for opening all closed doors. As my visa is due to expire in January, I pray for a renewal and for financial breakthrough as I want to do more for God.

*Melissa
Wharwood*

Shalom, at the end of September I sowed by faith, giving my very last, and trusted God 100%. In the KFM monthly meeting, our father made a declaration, and gave us instruction to sow a minimum of \$200. I received the declarations with my whole heart. Number 1, My husband who is unsaved usually gives me very little financial contribution for our kids, for the 1st time I received 75% more than what he usually provides. Number 2, My annual subscription for my car insurance was due at the end of this month. I received favor from my mom who offered to pay 85% of the bill, without me mentioning or asking for financial assistance for this debt. I thank God for the grace and blessings of being part of this ministry under the leadership of my father Prophet Shepherd Bushiri. My Doria till eternity!!! Praise and thanks to the God of my father

TESTIMONIES SEPTEMBER TO REMEMBER

Sterling Skavas

Shalom Kingdom Financiers, I received my deliverance while I was in Malawi. After I had a face-to-face encounter with my prophet Major 1, my life has totally changed. I go to bed earlier and wake up earlier, my prayer life has become more powerful, and I am no longer struggling with addiction. My other testimony is that I am receiving financial breakthrough for God's Kingdom, for my family, and for restoration of the years that the devil has stolen from me. Hallelujah!

Sindiswa Mfuzi

Shalom Kingdom Financiers, I glorify the God of Major 1. A miracle cash payment of R26,550.00 was paid into my Municipality account this previous month. A deduction for the amount which was due for August as well as the balance brought forward of R25,743.66. Again, they deducted for September and a credit balance remained of R24,975.45. This is the miracle money the Prophet declared. I have been struggling to pay for my rates as I am currently unemployed. As God blesses me, I promise to do more for the church. I thank God of Major 1. This miracle cash payment will settle all fees due for up to 2 years with the municipality. Hallelujah my Prophet

Nontobeko Nkambule

Shalom Kingdom Financiers, my name is Nontobeko Nkambule from Nelspruit Liphisi, South Africa. I would love to honor the grace and anointing that operates upon my father, the Prophet. After the partners meeting of the 30th of August 2022, God of Major 1 protected me from being arrested on 1/09/2022 because of a certain firearms client who was hard of understanding. I won the case before even going to the police station. On 02/09/2022 I was attacked by another client in the office, when he wanted to come close to me, something held him tight to the door that he ended up beating and breaking the door - even then the God of Major 1 saved me. I knew this is GOD ushering me to my testimony. I glorify the God of Major 1. Ever since I've been a Kingdom Financier, I have never gone to bed hungry. GOD has also blessed me with a 2-bedroom house. I was earning R500 a month of which I started partnering with the Prophet. Now this month my donation has increased to R3000 a month, glory to GOD of my Prophet Major 1. I believe in God for a Mansion, a high paying job, and wisdom of how to register companies with Psira. Thank you, Jesus. I Love You Dad and Mom

THURSDAY WEEKLY PRAYER SESSIONS

22nd September 2022

On the 22nd of September 2022, The Prophet reiterated the significance of the prayer mountain he took us to - the mountain he visits on rare occasions. The Prophet reminded the Kingdom Financiers of how he told the enemy to stop, and that as Kingdom Financiers we needed to believe that indeed the enemy had stopped.

What makes people enjoy the benefits of the Prophet? It is not the prayer he makes. Rather when the people hold onto what the Prophet has said; and believe in what he has said.

Receiving the word released to you by the prophet in the moment, then the following day not holding onto the same word becomes difficult for that word to manifest and come to pass in ones life. You need to hold onto that word, take it as yours and Let it become your "Rhema" word.

The prophet gave us a rendition of a vision he had. In a room he helped to put things in order for his daughter. He stepped out into another room and upon returning found his daughter had scattered what he had organized. This made him angry in the vision. The Lord revealed to him that this is what happens with people. He puts things in order for them, but the people mess it up.

This is the word the prophet speaks to all his partners:

"Go where God has called you to go, reach where God has called you to reach. Acheive what God wants you to acheive."

Prayer of the Prophet:

"I pray for all of you my partners, I bless you today. I pray at this minute at the touch of this oil. May God grant you with success in every prayer point you have. May this become a reality in the name of Jesus. Receive the grace in Jesus name. As the oil touches your head may God Almighty put silence to every raging war coming against you. I stop what has been trying to stop you. I confuse what is trying to confuse you. I declare, may you receive a testimony in the name of Jesus. May you grab this word of prophecy. From tomorrow begin to watch over what I have said. That the prophet said there shall be a testimony. Watch over this testimony in the name of Jesus. Begin to watch over this word of prophecy in the name of Jesus. I pray so shall it be, Amen!"

ANOINTING SERVICE OF BREAKTHROUGH 29th September 2022

"Whatever your hand finds to do, do it with all your might, for in the realm of the dead, where you are going, there is neither working nor planning nor knowledge nor wisdom." – Ecclesiastes 9:10(NIV)

"Always be clothed in white, and always anoint your head with oil." – Ecclesiastes 9:8

It is biblical to always anoint your head with oil. In the King James Version the scripture reads "let your head lack no ointment" which means anointing.

What does the anointing do?

It distinguishes people. There is a huge difference between an anointed and the non anointed person.

Read Psalm 45:7-9{NKJV}

In this verse the bible says you can all be anointed, but one can be more anointed than the other.

The differentiating factor is the anointing oil. You differ from the next person because of the anointing. Even from what you wear, to how your life is. Why? Because, God has given you the oil. This is why your head should never lack anointing oil.

The reason why the prophet always calls his kingdom financiers for anointing services, is because he knows what differentiates people. The difference that God marks and puts up, makes you to swim in the realms of precious minerals. God differentiates you amongst your companions. Who are these companions? your colleagues, your family, your schoolmates.

Acquiring the anointing does not come by wishing to have the anointing. One way is by having the anointing oil directly poured upon your head. However if you do not understand that it is not just pouring on your head that makes the difference, rather it is you understanding this oil upon you is a symbol. It has been given to you by a Prophet. It is a product of a Prophet. It is in the armourment of the prophetic that our father carries.

The fact that it is on your hand and comes upon your head should not only end there. But ask the Father for the anointing.

Read Zachariah 10:1 {NKJV}

The rain in this scripture is described as the anointing. Which in hebrew is called "Memshack" the oil that drops, that falls around you, that changes things around you.

The bible says ask for the anointing, not wish for the anointing. You can pray with the oil on your palm and ask God to give you anointing for wealth, anointing of attraction, anointing of speed, anointing of making things possible even anointing of breakthrough.

The scripture also speaks of latter rain which means in each season there is a new anointing. What you prayed for last week and what you want to do today, cannot work with the anointing of last week. This is why we must continually ask for the anointing.

ALL NIGHT PRAYERS

14th October 2022

The prophet was in thought and wondered why many partners are experiencing what they are not meant to be experiencing.

In the bible God would call men of God to go and save. He would tell them, He has raised people who would provide. They would not worry about carrying food nor worry where they will sleep.

When the Lord is planning to do something He has you. From the point of you knowing you have a calling, God blesses you. It is from that point that God touches you and answers your prayer.

Prayer of the Prophet:

"I pray for your calling. Let God give you finances so you can fulfill your obligation. Father in the name of Jesus as you have given me this power to anoint their heads. We believe in this power. In this month of October you shall open the doors of finances. Father nothing is impossible with you. It shall come to pass, things shall happen. I bless you where you are. Do not be surprised a big breakthrough is coming ahead of you."

As you anoint your head say these words:

"Heavenly Father, thank you for this anointing. For I have so much faith that I will come and testify. Not only that my money will work for the Kingdom. I surrender all my blessings to you. In Jesus name I pray Amen!"

You have been called by God. A calling to serve with your finances. Congratulations to you!
