KINGDOM Financing

WELCOME

Dear Kingdom Financiers,

What a season, what a month to remember!

September has been one of the most remarkable months we have had this year. The Lord has done so many significant things in your life. Indeed, this is one month you will never forget.

During our previous monthly meeting, I anointed you and established you as Financial Prophets. I taught you about the story of Elijah's sons, who, realizing that their gathering place was too small, decided to construct a larger structure in which to hold their gatherings. 2 Kings 6:1-6

Notable takeaways from this lesson:

1. The sons of Elijah had the foresight to invite the Prophet along, who was essential to the success of the Project. If you want to succeed at anything, you should always consult a Prophet. 2 Chron20:20
2. They were using a borrowed axe to cut down trees to use for the building of the church - Some of you are using borrowed funds to fund the ministry. This speaks to your commitment and dedication to your calling as a Financial Prophet. Don't faint, don't give up!
3. They used an axe that ended up in the water, but the Prophet Elijah made it float again, implying that a Prophet has the power to do the same for your finances.

Like Elijah, I stood as a Prophet in your life and used anointing oil to cause everything that has been sinking in your life, to come afloat. Everything that has not been balancing up in your life has begun to balance up. In the wake of this meeting, companies that had been floundering are now thriving. This is the hand of my God!

Prayers on the Mountain

On the 13th of September I took you to one of the holiest sites in my journey with the Lord called the Altar of the Lord.

I only come here 3 times a year for matters that need urgent supernatural Intervention.

This location is especially meaningful to me because it was here, about 20 years ago, that God called me to a into my international ministry. Ever since then, I've watched as the Lord multiplied my ministry's impact across international borders.

You have helped me tremendously as partners in this endeavor, opening doors to more than 60 countries around the world, where I have been able to share the Gospel.

For this reason, I've brought you here —to argue your case before my Maker. And I am confident that He has already begun to respond to you.

I prayed for you on this sacred ground, and here is what I declared over your lives:

- As long as my God is on your side, you will triumph over your foes in every battle
- I presented you before my altar and I declared upon you the manifestation of all the promises that the Lord made to me upon this altar
- I declared upon you total healing and complete financial breakthrough
- I announced too that the waiting is over and commanded miracles to manifest upon you!

Celebrate, rejoice, for It is done!

Weekly Thursday prayers:

I believe in prayer. And I know that when I pray, my God not only hears, but he answers. This is why I have dedicated every Thursday to praying with you my partners.

On Thursday 15th, I met with you to teach you about something very significant - Your partnership as a calling.

We read from 1 Corinthians 4:2 {NIV} which says:

"Now it is required that those who have been given a trust must prove faithful"

I read you a passage which the Holy Spirit inspired me to write about Jonah and running away from his calling. It is very important that you realise that your being a partner of this ministry is a calling. You were not called by man, but by God. And He expects you to be faithful. I pray that you won't make the same mistake Jonah did by running away from his calling. I pray that you will embrace your calling and act on it without hesitation or fear.

Important nuggets to always remember:

- Take your calling seriously and Pray for your calling
- Don't hold off on giving until you're asked; instead, give as the Holy Spirit prompts you to.
- To avoid being sifted by the devil, bear the weight of your calling with conviction just like Nehemiah

Good news is coming your way. Be on the lookout for it won't be long. Your appointed time is now.

Psalms 102:13

You will arise and have pity on Zion; it is the time to favor her; the appointed time has come.

And after the Lord has done it for you, come back and glorify him, come back and testify!

Go and prosper!

GOSHEN CITY RETREAT REVIEW

DAY 1 – THE ARRIVAL DAY

This was a weekend filled with bliss, and excitement was in the air. This retreat was during a remarkable period, the month we get to celebrate and embrace our spiritual mother. The Lioness, the Prophetess of Class, the mother of the Jesus Nation.

Kingdom Financiers began to arrive in their numbers one by one flying in from all corners of the world, some even travelled by road. All to come and celebrate the birthday of the Prophetess.

DAY 2 - BEACH DAY

The Beginning of the celebrations. Sounds of laughter, and songs of praise filled the buses as the kingdom financiers journeyed to Mangochi. At Lunch hour, the kingdom financiers had a time of leisure, where they engaged in all sorts of activities ranging from Volleyball to Tug of War! The strength of the women was revealed as they won against the men 3 times in a row! What a joy! The men, however redeemed themselves in the volleyball leg!

As the sun went down enjoying the fresh breeze, the beauty and serenity of the Lake. The Kingdom financiers had a euphoric moment as they danced to the tune of Jerusalem. This day reflected the unity & love imbedded in the hearts of the Kingdom Financiers, not only for each other, but also for the Prophets.

RETREAT REVIEW

PROPHETESS MARY BIRTHDAY DINNER

Glamour, chic, and poise was the order of the evening. All ladies glammed up and the gentlemen tuxed up, rising up to the occasion. The Kingdom Financiers enjoyed an intimate, exclusive birthday dinner with the Prophet and Prophetess. Dinner was served, and the Prophets, together with the Kingdom Financiers, enjoyed an evening of acrobats, and were serenaded with music to add to the atmosphere of the evening. Kingdom Financiers from across the globe, represented by their coordinators showered the Prophetess with gifts, and messages of love – to make her feel all the more special.

As the evening progressed, the Prophet also took to the podium, to serenade his love, to his sweeter half, his pillar of strength. He Shared with the Kingdom Financiers, their journey of how they started and how they grew in his journey as a prophet. Heaven approved of this occasion; everyone was filled with much joy in their hearts. The Prophetess rendered the group with a sweet song of worship, closing off the evening.

DAY 3 - IVP

The International Visitors Program. The retreat ended off with the IVP Program, where the Kingdom Financiers had an opportunity to have an encounter with the Prophet. The evening closed off with an award ceremony, wherein which the top Kingdom Financiers were awarded for their unwavering commitment.

KINGDOM FINANCIER *Experience*

CHRISPEN MUGOTA - SYDNEY, AUSTRALIA

I feel so happy that this year I managed to attend this year's KFM Partnership retreat, Mama Bushiri's birthday Party and I also managed to visit Goshen City with Papa, Prophet Shephard Bushiri.

I have no words to describe how beautiful all the events were. It was fun and enjoyable from the beginning to the end.

People travelled from all over the world to come and celebrate with Mama, Prophetess Mary Bushiri on her birthday. The venue was good. The music and the food were beautiful. The day started with ball games at the Magfords in Mangochi. Men and women competed on different games. Women did their best but men did their best too but were out classed by women. It was fun and we enjoyed it. Mama's Birthday celebration was done in the evening. We thank Sister Lolita and everyone involved in the preparations of the birthday celebrations. It was the best event I have ever attended in my life.

THOMAS, MIA & STERLING SKAVAS - CANADA

We want to share with everyone our wonderful experience with our fellow KFM partners for the August retreat. From the time we arrived at the airport we felt very welcomed & taken care of. The KFM staff met us at the airport to pick us up and take us to our Hotel. They made sure that we had everything and helped us get settled into our hotel. This was very helpful since it was our first time to Malawi.

To be in a live service was almost overwhelming. The presence of the Lord was so evident that there was even a glory cloud that we noticed in 2 of the services! The worship time was so powerful and being there in person for the 1st time was a dream come true. In fact, one of our prayer points from an on-line IVP was to be able to attend the in-person IVP and to be there for Mum's birthday celebration. So this was an answer to prayer. Having a face to face with our prophet was so intense and powerful! My son and I both went down under the power of the Holy Spirit when Major 1 prayed for us. This had never happened to us before. As we were lined up in the prayer line we noticed that there was so much power coming off of our prophet that everytime that he walked passed the sub-woofer it went bonkers. After a few times of this happening the tech team unplugged the speaker. We are so thankful that our prophet takes time out of his busy schedule to pray for everyone and that we could experience this life changing event.

Mangochi was an unforgettable experience by the beautiful lake Malawi enjoying some relaxation with the rest of the partners on the beach. It was wonderful to meet and mingle with other partners from all over the world. We had some good laughs trying to learn the Jerusalem dance on the beach. Dad wanted us all to see Goshen so we went there after the beach. It was great to see with our very own eyes the city that our prophet is building. He then took us to the Chapel. This was so powerful as Dad led us in prayers! We sang some songs together & the acoustics were so amazing in there. Words can't even describe the feeling of being in there praying & singing together. We have never before experienced such an intense corporate prayer time. That evening was Mum's birthday at club Mak. The beach venue was decorated so lovely with all the string lights on the beach. It was something like a post card - picture perfect. The Master of Ceremonies was so entertaining - he kept us laughing. Having dinner with Mum & Dad that night under the stars was unforgettable. They made us all feel so welcomed and loved.

We want to thank our Mum & Dad for these unforgettable experiences that have created memories that will last a lifetime. We also want to thank all the hosts that worked so hard to ensure that everyone was well taken care of. God Bless our Parents & our KFM the Jesus Nation Family! Love, Thomas, Mia & Sterling

CHRISTIAN, SIMONE, LUKE, SELAH, LEVI & LEWIS SKAVAS - CANADA

Thank you for an experience of a lifetime! As we reflect and look back over our trip to Malawi, we see that right from the moment our family landed in Lilongwe we experienced favor and blessings from our God of Major 1. Upon arrival, we were greeted right away by beautiful ladies of KFM who were ready to welcome and transport us. We were so well looked after right from the start which made us feel so welcome and right at home. After a long journey with our kids, flying across the world many long hours from Canada, these friendly ministry ladies were exactly who we needed.

The ladies in our family then had the privilege to go right away to pray with our beautiful spiritual mom, Prophetess Mary Bushiri in the prayer garden. We were instantly overwhelmed by the power and anointing that is so present with our Spiritual mom. Jet leg couldn't even set in with this incredible introduction to our time in Malawi. Our hearts were instantly overwhelmed with thanksgiving and gratitude for this experience that had only just begun.

During this retreat we were also privileged to see Goshen City. Standing on the soil that is now becoming a city because of a vision given by God to Major 1, was absolutely overwhelming! Our hearts were full of Joy as Major 1 himself showed us the property and shared the vision God had given him to build this city. These are moments in time that will remain encapsulated in our hearts forever! Witnessing this city in the early phases was such an honor that we will never take for granted. The city coming to life so quickly spoke to us of the power and anointing that rests upon our prophet. We journeyed into the chapel where Our family prayed for the Jesus Nation to arise and that God would grant us the grace and ability to help fund this city! God spoke to us

through our prophet that He will hold our hand and not fail. This too was so powerful! That evening we enjoyed such a beautiful birthday dinner celebration for Prophetess Mary Bushiri. Everything sparked! What a beautiful celebration this was to honor and celebrate the birthday of such a Godly woman of integrity, our spiritual mother Mary Bushiri. Not only was everything so beautifully adorned, but the honor of being at such an occasion overtook us. Major 1 spoke about not letting a prophet go until you receive a blessing! Our stomachs were full from such a lavish buffet, but our spirits were even more full having been fed the word of God from our Prophet. This was such a rich evening full of celebration as well as depth in the Holy Spirit. What an incredible time spent in such a stunning location!

IVP - This was indescribable! WOW!!! Standing there in that moment was a fulfillment of what we had prayed for, hoped for, and anticipated for years. We were fulfilling the opportunity we had prayed and believed would happen for our family. This was a dream come true for us! Each member of our family spoke to the prophet and walked through the prayer line to receive one on one prayer from the Major Prophet, Major 1!!! The amount of power and the Fathers love that we experienced is hard to even put into words!! This truly was a heavenly encounter! This is something we pray every child of God has the opportunity to experience. Being prayed for by our Prophet was absolutely life changing!!! We knew instantly that our lives will never be the same! We give thanks and Praise to God of Major 1!

As our time drew to a close in Malawi, it became so relevant to us that although we were clear across the world from our physical home in Canada, our time in Malawi was like coming home spiritually! Our hearts were so full from such a deeply rich experience it was hard to leave. Our time may have been short in Malawi but the impact was eternal! We are so thankful for all the kindness and favor we received during our stay. We praise God of Major 1 for this life changing opportunity and cherish all the memories. What an honor to meet Major 1 and prophetess Mary in person. These are moments we are still debriefing and reflecting on weeks after being home, and I know we will forever cherish. We are so thankful for every moment we had in Malawi! We look forward to visiting again one day, and coming back with a testimony!!!

KINGDOM FINANCIER EXPERIENCE

PHOEBE TOWONGO - KENYA

My Fellow Kingdom Financing Millionaire's of the Jesus Nation,
My name is Mrs Phoebe Towongo, the Coordinator for Kingdom Financing Millionaires (KFM) in the Nation of Kenya.

The Mangochi Trip and Chapel Experience

I was privileged, and honored to travel between Lilongwe, Mangochi and Goshen City where we had two powerful prayer sessions in a span of 3 days. We were blessed to go up for prayers at Goshen Prayer Mountain, where We had an amazing, intense prayer session with our Prophet and Prophetess who took turns to declare powerful declaration into our lives which blessed us immensely.

Tour In The Goshen City

Our Prophet MAJOR 1 took us for a tour around The Goshen city, and we were all shocked to see the great, breathtaking progress from the construction of the church to the construction of the apartments.

Financial Prophets Retreat

The phenomenal occasion took place on Saturday morning throughout that day which turned out to be one of the best retreats ever at Mogfords Luxury Gateway, at Monkey Bay, along the beach of Lake Malawi. The day was filled with lots of sporting activities such as tug of war between men and women, indoor games, swimming, biking, volleyball, badminton, dancing to Jerusalem song along the lake - amongst many other activities. We were also spoiled with a great meal, by the beach. It was an opportunity for us as financial prophets to have spiritual interaction, share experiences and network amongst ourselves.

Prophetess Mary Birthday Dinner at Clubmak

The dinner topped it all from the layout of the decorations. The venue was very lavish and elegant. The highlights of that evening were beyond comprehension/imagination. The entrance of our Prophet and Prophetess, graced with influence and affluence sparked the whole celebration. All the financial prophets were dressed to kill, and truly looked like billionaires of the Jesus Nation. The whole program was electric, truly something to remember. Included in the activities was Papa's favorite local artist who performed a few songs, topping it off with mum and dad singing along. We had a mouth watering meal which everybody enjoyed to the fullest.

Mother and Daughter Bond at the Prayer Garden

The ladies on the retreat had Grace and Favor with our spiritual mother, where we had a heart to heart with our mother at the prayer garden. It was a moment where secrets of how to run a family were shared, taking care husbands and children and how to succeed in running a home and business, since we women are naturally blessed in multitasking. Our teaching was drawn from the Bible in the book of Romans 16, where Paul gave the example of Phoebe's character, which stood out through her giving, making mention of the fact that she built churches for the Lord. Phoebe's character was a blessing to the Lord and the church at large. Mum called on us to emulate the example of Phoebe, and she declared Phoebe's Anointing over our lives. We enjoyed the intimate moment of mother and daughter time. What an honor!

BUSI MHLANGA FROM ZIMBABWE

I have been to Malawi several times in the last two years for various church programs, but I must say the August 2022 Kingdom Financing Millionaires Retreat was by far the best experience for me. What made this retreat so memorable and symbolic, was the fact that it was the genesis of my becoming a registered kingdom financier of the Jesus Nation Church. Though, I have been a faithful partner for years within the same ministry in my home country, I have been so eager to understand and learn more about Kingdom Financing, and to tap into the special grace, anointing and benefits that come with this calling.

In August 2022, our father, the Prophet announced the retreat, and the various special programs which included the August KFM meeting, Prophetess Mary's Birthday Celebrations, a special one on one with the prophet and a face-to-face International Visitors Program. There was no way I was going to miss out on this special once in a lifetime opportunity. I jumped at this opportunity to be a part of this monumental occasion and registered for the program.

This retreat was 5-star hospitality, beginning with the administration team to other stakeholders like the airlines, transportation, the 5-star hotels, the catering companies, ushers, pastors, and other organisers. I really had a pleasant stay and experience in Malawi filled with love. The icing on top of the cake was the special visit to Goshen City, where we had a wonderful tour of the city with our parents, as they took us through the vision and where we were going as the JNC. We got a very rare opportunity as Kingdom Financiers to be the first to pray in the Goshen City Chapel for the very first time, and the Lord spoke in that Chapel. It was at this retreat that I felt a conviction to partner with the ministry faithfully.

I look forward to attending more retreats of this nature, to grow spiritually and to encourage the youth such as myself to take a leap of faith, to be convicted to join this movement of Kingdom financiers in the Jesus Nation. Shalom

OLIVE MUMBA FROM SWITZERLAND

A time to celebrate Gods Faithfulness through mom's birthday!

The August KFM Partners retreat was not like any other partnership retreat; it was a remarkable extra-ordinary time, time to celebrate the life of a phenomenal woman – our Prophetess and our Spiritual Mother – Mother of the Jesus Nation. It was a time for us to remember, celebrate and appreciate her in the life given to her to be a beacon of hope for many of us women who may at one point, or another felt lonely, in despair and/or defeated. Mom's life is a testimony as to why God created a woman – to be the carrier of life and a beginning, the left hand as a support system, the intercessor charged with fire and wisdom. The one who makes things happen, though silently in the background but powerfully, always with a smile and loaded with love. Mom, we thank you for your love for the ministry you carry, for us your children, for the love you have for our dad and our dear Raphaella, your time, your prayers and for just being you. We appreciate you wholeheartedly!

The moments that will remain with me are the two birthday parties honouring our mom's birthday. Her reaction in seeing her own spiritual mother, our grandmother Prophetess Bebe Angel on her birthday - 23 August 2022 was amazing – I wonder how dad managed to keep that from her. It enlightened my spirit and made me understand the relationship they have. Just as she radiated and brightened up with joy and gladness in front of her spiritual mother it is the same with us, we, her daughters feel in her presence.

On Saturday 26 August we drove to Mangochi where we had an afternoon of games and lunch at Club Makokola in Mangochi. As our prophet tells us to work hard and to play hard, we are for sure in that season. We laughed, sang, played tug of war, danced by the beachside, networked and learned from each other not only as KFM partners but as brothers and sisters in the Lord.

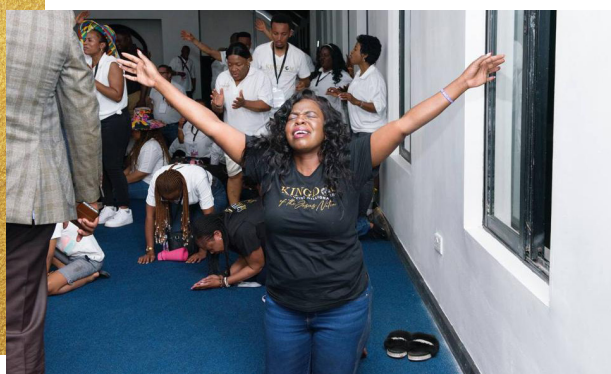

We were taken to Goshen City and appreciated what our Prophet is daily showing us through his life - determination in the presence of adversity. We are being taught not to limit ourselves as Kingdom Financiers but to understand that everything starts with a vision, and faith is the currency. Last year 2021, I had the opportunity of being in Goshen City during mom's birthday when the foundation of the church was being laid, and we were encouraged to take pictures as we were told that next time we came, we would be amazed by the development. Indeed, one year now, this is testament to the saying that 'what God ordains: He sustains'. Psalms 55:22 Cast your cares on the Lord, and he will sustain you; he will never let the righteous be shaken. Thanks to our Coordinator Lolita and the KFM team for making all this possible. Planning, arranging, and ensuring all administrative issues were handled to make the retreat as smooth and as memorable. Thanks to all the countries and individuals for your gifts. I take this opportunity to thank God for the grace of our spiritual parents. For my salvation and enabling me to partake of such grace. It is my prayer that the word of hope and salvation reach as many people as possible. Shalom!

GOSHEN CITY CHURCH PROGRESS

”

*We have found
our city, 'which hath
foundations, who's builder
and maker is God.'
- excerpt from
Hebrews 11:10*

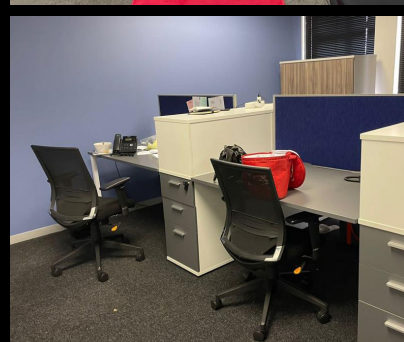

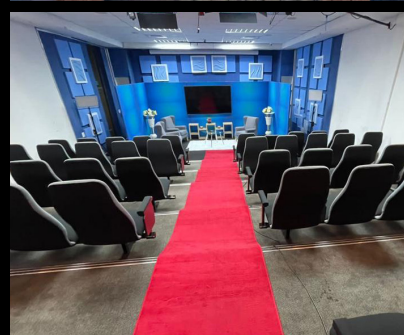

Kingdom Financiers, what you are doing is monumental, your generations will testify and continue to speak of this glory. The visit to Goshen City and seeing the speed at which the construction is moving is nothing short of what the Prophet's anointing is doing. It was in February that you raised funds for the roof of the church, it was in April you raised funds for the steel beams to construct the entrance of the church.

As we speak, both enforcements are completed. We are now on the next phase of construction - the design of the interior of the church.

As the Kingdom Financiers went in to assess the progress of the Goshen City church, they stood in awe at the speed at which the building was constructed, as well as its sheer magnificence. The Kingdom Financiers on the retreat had an opportunity to see the dam of the dancing fountain completed, as well as the Goshen Houses and double storey apartments. To top it off, we were first to witness the excavation of the construction of the Highrise apartments.

We know that Kingdom Financing is your Passion, tell us more about yourself.

I consider myself a giver. I am in the process of discovering my calling as a Kingdom Financier. I didn't struggle to find my calling as a Kingdom Financier, because I have a heart to give. I thank God for the provision that enables me able to give back to the kingdom.

What was the driving force behind your decision to partner with the Prophet?

Surely God is the driving force. I believe in his calling, and I believe that Major 1 is a true prophet of God, and that he is my prophet and my spiritual father. Because of this fact, it is my duty to support the work of God through my prophet.

How has your life evolved ever since you renewed your Membership with KFM?

I can only count my blessings. Renewing my partnership has meant dedicating my finances to God, which has brought about great change in my life.

How Have you incorporated the 6 Characteristics of a financial Prophet in Your life?

Well, that's a really good question. If being a Kingdom financier is your calling, these characteristics are already imbedded in you. The 6 Characteristics namely, giving Cheerfully, willingly, honorably, sacrificially, tirelessly and with love are found at the heart of the vision of the Prophet. The more we look into the vision of the Prophet, the more our identity as financial prophets is revealed to us. Knowing our identity helps us to go deeper in the way we give ourselves to the Kingdom.

How can KFM Extend its reach internationally?

KFM can extend its reach more through the means that we are already using, which is media, social media and through the amazing testimonies we are experiencing through God in our lives. Our lives should be used as a tool to preach to the world.

In your opinion what is the fundamental role of Kingdom Financing Millionaires of the Jesus Nation in this final Dispensation.

Firstly, it's to support the work of the Kingdom through our finances. Secondly, Showing the miracles God is performing in our lives – revealing the hand of God, and the reality of the existence of God.

What impact are you set to make, as a Financial Prophet?

My desire is to be able to support the work of God through our prophet – changing people's lives.

FRIDAY LUNCH HOUR PRAYER SESSION

Every Friday, Kingdom Financiers from across the globe have been blessed to have lunch hour prayer sessions specific to their countries, coupled with a timely word from the Prophet. Here is a look into the divinely inspired Words uttered by the Prophet for the following countries:

AUSTRALIA

"Each time I think of you I think of Christ. Your work in Christ is not in vain. I am proud of you, most especially because of your relentless in prayer and how you do not give up. You are always up, you're not many but the few of you are always up. I decree in this season as you pray tell God, enlarge my territory and God shall bless you, in Jesus' name I pray"

CANADA

"Your prayers and sacrifices in the Lord are not in vain. It's a call that has made me send this message to you. I am in prayer and asking the Lord to remember you this season. We are in a critical moment where God is doing something for the saints, more especially the partners. God is restoring this ministry and He is doing something that has never been done before. I pray He gives you that grace and ability in the spirit in Jesus' name. I pray for the grace, and the glory to rest upon you. All my partners in Canada you carry this moment. The Lord was reminding me how the ministry of partnership disappeared in the church. You may recall in the ancient days. I.e., Catholic churches, Presbyterian churches, there were people who were partners that built these churches, hospitals, & schools, and that group of people disappeared. Now It is no longer as it was before. For 40 years it was not happening like in those days. However, there is revival, God is bringing back that revival. So, I declare today to all my partners in Canada something will happen to you. God shall restore the church through you. I am praying for you, and I want you to pray and ask God "Lord restore me in Canada", may you be a partner; and may you be a star in Jesus' name"

SOUTH SUDAN

"In the name of Jesus, I speak to everybody (tongues; lazo de-gebo brakanta rahazo ziya digizje bo shentere boshika) to my partners in South Sudan I decree the grace of the Lord upon you. As you gather in South Sudan all my partners, let God remember you today. As we pray with South Sudan partners today, let this payer begin to affect and influence your personal lives. I declare within 2 months, let all partners of Sudan begin to experience testimonies, testimonies in the name of Jesus. I declare the grace of the Lord upon you. I declare as you pray today, pray that God of Major 1, my God; to provide you anything pertaining to your calling in Jesus Name."

PARTS OF EUROPE (SPAIN, BELGIUM, SWITZERLAND, POLAND, NORWAY, SWEDEN, AUSTRIA, DENMARK, LUXEMBURG & FINLAND)

"Being a partner in your countries is such a blessing. I want you to know, we are together in prayers today. I bless you and I pray for you. May God bless you, as you pray today. May He answer your prayer and show you what it means to be a partner of the Prophet. I pray that the desires in the depth of your heart be met and answered today in the name of Jesus. I bless you and I release this anointing over you as you pray. God bless you! I love you!"

THURSDAY WEEKLY PRAYER SESSIONS

Thursday 18 August 2022

*“Seek the Lord while He may be found,
call upon Him while He is near”*

– Isaiah 55:6 (NKJV)

TWO IMPORTANT POINTS OF THIS SCRIPTURE:

1. **Location:** where The Lord may be found
2. **The presence of the Lord is a momentum, you have His Presence, and you can lose His presence**

The reason why you are still with the Prophet is because that is where the Lord may be found. In the remaining months before December walk with the Prophet carefully. You will see the power and anointing upon his head for it maketh one rich, it maketh one healed it maketh one prospers.

“The favour of the Lord makes one rich and adds no sorrow.”

The Prophet asked the Lord what we can do to be greater Kingdom Financiers, The Lord replied, “do what the 99% don’t do.”

1. **Principles:** 99% of people don’t believe in the Kingdom Wealth principles. Genesis 26:1, 12-14 Isaac did what the Lord said, and became enriched. He obeyed the instruction given to him.

2. **Location:** Places where the Lord is found are portals, even Moses knew this for he kept returning to Mount Sinai to seek the Lord. The moment you arrive to your location the Lord becomes near when you call upon Him. Your Location is ECG, your Location could be in Partnership meeting.

THE PROPHET DECLARES:

You will provoke the Kingdom Wealth, what shall be born out you is not of men, it is by the spirit of the Lord.

PRAYER OF THE PROPHET:

“I release a Kingdom Wealth Anointing. You will prosper because God has opened an opportunity and has released the Kingdom Wealth Anointing. Things will come from left, right and centre. I command you; prosper, I command you; prosper in the name of Jesus”

Never forget to tell God; “I am a Kingdom Financier; those millions belong to my bank account, and I receive them.”

Thursday 25 August 2022

The Lord has spoken and says, “this is the moment my people must use my economy.”

WHAT IS MY ECONOMY?

1. **The prophetic economic models - no one in the world has discovered.**
2. **Prophetic Economy**

The Prophetic Economic Model does not look at how the world is using the economy. To be implemented this model contains these 3 aspects:

1. **Believe**
2. **Act**
3. **Spread**

“If you will not take God’s model of the economy as the church we will not get to reach where we need to be.”

Read Joel 2:25-27

Verse 25 is not explaining what were the things that were eaten, until Verse 26 which explains that it’s the economy; It is the money.

Factors that happen in a country when the economy is not operating properly

1. **There is not enough to buy or eat**
2. **Cost of living is high**

This scripture is referring to what God will do. He will restore the economy and not the money. The cost of living will reduce and right now the church is not tapping in to understand this Prophetic Economy. The Lord is preparing this for His people - As He states this in Verse 27 which says my people, referring to God’s Children.

Saturday 3rd September 2022

PROPHETIC DECLARATION:

“God will put things afloat of whatever sank. That which was not stable will begin to stabilize. Anything that sank in the water financially, spiritually, materially it will begin to float again”

PRAYER

“Lord for the sake of Your kingdom let what was sinking in my life, come on top. Appear now! As I anoint myself with this oil, as a sign of assignment; I will fight the devil’s kingdom, with my business; with my breakthrough as a weapon in the name of Jesus.”

THURSDAY WEEKLY PRAYER SESSIONS

Friday 9th September 2022

READ ACTS 15:25

The men who accompanied Paul and Barnabas were partners who risked their lives for the sake of the ministry of Paul and Barnabas

READ HEBREWS 11:31-38

We read how men and women took risks for the ministry of God. For example, Rahab a prostitute woman who kept and helped the men of God for their mission in Canaan. This was a risk for if the Canaanite government would have known who she hid in her house she would have been killed. Also, for this act God spared her life.

VERSE 32

We read how Gideon and Samson risked their lives and because of that conquered Kingdoms, administered justice and gained what was promised to them.

FIVE KEY TAKEAWAYS

1. Faith is a serious risk, until you have not reached a level you can die for the gospel you have not started believing.

"Most Partners have taken money that they could have used for something else, but instead invested in the gospel. That is taking a risk. Understand this, what you are doing is a ministry and it's a risk."

2. In taking risks and giving to God, you will conquer Kingdoms. See the Financial Kingdoms, opportunity, and Kingdoms around you.

3. God will never give you 2 or more places to give, raise an altar or to serve. This is why Jesus rebuked people who were disciples of the ministry of John, then would leave John to come be disciples of Jesus.

"Major 1 can never be defeated because he gives on the altar of His spiritual father and no other altar."

4. To serve God as a Partner, requires knowledge to know it's a ministry.

5. Know for certain you will be held accountable in heaven over what you did with your ministry and what you did to help the Prophet. Make sure to do your ministry as God has given you, and do not do it as work. God will either commend you or tell you how you failed.

PROPHET'S ENCOURAGEMENT

"Realize it is your calling and your ministry to be a Kingdom Financier. When you are failing or lacking finances, it is the enemy attacking your finances. But you will make it! no force, nor fire will be able to stop you; for you have taken a risk for the gospel. You will subdue kingdoms. You will shut the mouths of Lions. You have a unique calling, and a unique ministry."

COMMITMENT PRAYER:

"Heavenly Father, I recommit myself to be your servant and help your ministry. So, help me God in Jesus name, Amen!"

Tuesday 13th September Prayer Mountain Experience

As promised the Prophet called us into a meeting of prayer. Bringing along his Partners to this significant location. This is the place where the Lord spoke to him in a vision 20 years ago. In that he has been called for an International Ministry.

On this mountain; a bare land in the midst of a huge forest; in this location, the Prophet always came to pray in order to prepare for his ministry. He regards this place as one of the holiest of his sites, because of the great things the Lord has done upon his life. He named this place "The Altar of the Lord", for whenever he needed something big in his life, he visited this location.

On this day, with his Partners connected on zoom, the Prophet stood in this place as the Lord instructed. The same place where he visits 3 times only in a year when He needs God's shifting.

The Prophet called for prayer, advising the Partners to seek within themselves that one thing in their life they wanted a shift from God, in which they required a supernatural intervention.

Thus, calling upon the Lord in prayer he began to intercede. Asking the Lord to fight on our behalf, to battle against our enemy; proclaiming the promise the Lord made to him upon this mountain; declaring healing and financial breakthrough; announcing "the waiting is over", as he stood upon this altar. He Commanded every obstacle and blockage to be removed. He declared miracles to manifest to each and everyone.

Taking from the word in the book of Genesis 13: 3-4, the Prophet elaborates how Abraham had no money and went to God for prosperity. He went to Bethel and called upon God to give him resources. The first time he went to pray nothing happened. The second time he went to pray; and told God he raised an altar for Him at this place. When Abraham left, taking his wife and leaving his brother Lot, heading to Egypt the Lord prospered and made him rich.

Major 1 on this day brought His partners to his altar, to a place which carries great significance in his life. Assuring the Partners, he spoke these words "the God who answers prayers on this altar, Will answer your prayers"

Wednesday 14th September 2022 September to Remember

What will happen to you in this month you shall live to remember

“God remembered us when we were down, His love never quits”
- Psalm 136:23 (MSG)

HOW WILL HE DO IT?

1. He will remember your heart, your prayer and covenant promise over your life

2. God will make people remember you

In this season documents which were forgotten will be remembered, applications submitted that were forgotten, contracts applied and never looked at, people that were never taken seriously will be remembered.

“For God is not unjust so as to forget your work and the love which you have shown for his name in ministering to the saints as you do” – Hebrews 6:10(MSG)

“A mother cannot forget her own child, even if she would, He will not” – Isaiah 49:15(NLT)

God wants to remember you for all you have done for his kingdom. You will never forget what God wants to do for you!

“The Lord remembers us, and he will bless us” – Psalm 115:12(NIV)

Thursday 15th September 2022

“Now it is required that those who have been given a trust must prove faithful”
- 1 Corinthians 4:2 (NIV)

God requires you to prove yourself faithful. He is rebuilding the broken walls of the church and will use people who the bible calls the Zerubbabels. You need to embrace your calling to take away the reproach of the ministry.

Giving is your ministry that you are servicing. It is God using you to His glory, to advance His kingdom!

Do not be like Jonah who ran away from his calling. The Prophet writes this letter, a word from God for those that are running:

Dear Jonah,
I want to tell you something, if you start running from the Lord, the devil will always have a boat ready for you. He will even have money you need, to pave the way for you. Because of that, you will convince yourself “boy I made the right choice!”. At first it will be smooth going, you will say to yourself; “I know I am not doing God’s will, but I have made the right choice for me”. However, after a while you will run into some rough seas, storms and hurricanes. The people sailing with you will throw you out. Why? Because no man ever turned away from God and found joy that is lasting and permanent. Stick to God’s instruction and guidance no matter how hard it may get.

KEY TAKEAWAYS:

- Take your calling seriously
- Always pray for your calling
- Never run away from your calling
- Don’t wait to be called to give, just give as convicted by the Holy spirit!
- Do not allow the devil to sift you
- Handle your calling as a burden with conviction like Nehemiah

Shalom. After the midnight prayers we had with papa, he said 'I am stopping the enemy who was sent against your success'. He then he said, 'before September ends our stories will change.' I believe the enemy that was stopping my progress and success was anger. This caused heaviness in my heart. On the left side of my body I experienced great pain, at times very painful heat or heaviness. However, after the prayer, when I slept, I had a dream, and in my dream, I manifested and dark things came out from my heart. The spirit was screaming like a woman. In the dream I saw a man standing close to me, but I couldn't see his face. As that spirit saw the man it immediately came out. People of God the moment I woke up, I felt in my heart like something had been pulled out. I felt light, there is peace in my heart. I am no longer feeling the heaviness, or pain in my heart. I have so much joy such as I have never experienced in my life. Indeed, it is a September to remember, and I will never be the same again. My life has changed.

I am a district manager for a company with 11 stores. I have been with the company for 19 years and I have never been written up. Last year this time my boss and her boss tried to fire me, and I was going to quit because I thought it was not fair. I heard the Spirit of the Lord say, "Do not quit!". My boss put me on a 90-day plan with a meeting to check in every 30 days and I was supposed to send her weekly reports. Every 30 days before the meeting with her, our Spiritual Dad called for special prayers! I knew it was for me. In the 90 days I only gave her a monthly report not weekly which was not as per the plan. When the 90 days were over, she said she loved my monthly report and I have been doing great. She noticed how happy and peaceful I looked hahaha!

Now this year! Her boss was moved out of his position. Every time I speak in a meeting she agrees with and compliments me. She tells people in front and behind me how great I am doing. Last week she asked me to mentor a high performing store manager. This week she announced that I am proxying a 2nd district of stores. This is only the God of Major 1. We can never be defeated! I am the daughter of Prophet Shepherd and Prophetess Mary Bushiri no matter the battle I will always win! I love our prophetic church! I love our spiritual parents, and I thank God for choosing me to be a part of the Jesus Nation

Dear Honorable major prophet my father Major 1 I want to say thank you father for praying for my family. Jessie has received a promotion at work as a crane operator in North Carolina. He is so happy, this happened after your prayers. Thank you sir, we love and appreciate you, our father.

Shalom, I want to testify of God's goodness and faithfulness. Since Oct 2021 I have been experiencing changes in my monthly cycle. It was taking a lot longer to come, and it wasn't coming as a normal cycle should. However, after Papa released keys for our healing on Monday 15th August, I felt a stirring & rumbling in my tummy. From then henceforth, behold my normal cycle was restored just like that! Praise God of Major 1, thank you so much Papa for your prayers and giving this awesome revelation of the keys!

Joseph Chieh

First, I give God the Glory for his Grace and the Anointing that is working upon the life of our spiritual father, Prophet Shepherd Bushiri, the grace that is speaking goodness in our lives every day. On August 26, 2022, I became a United States Citizen, just a little over a year after I obtained my US Green card or permanent residence; far less than the minimum five (5) year residency requirement. Usually after you obtain your green card, you must wait at least 5 years before you can apply and obtain US Citizenship. I recognize and acknowledge that the speed at which I recently obtained my U S citizenship and even my green card wouldn't have been possible without the prayers and prophetic declaration of my spiritual father.

One thing that amazed me, was on the day of my Citizenship interview, like everyone else, I had to go through a security checkpoint. I was asked to take off my belt, shoes, wallet, wrist bracelet, watch, etc. I took off everything else except for my bracelet that has the name of Major 1 and other prophetic declarations engraved on it. As I was taking off and rolled up my sleeve, the Officer, upon taking a look at the bracelet with the name of Major 1, suddenly changed his mind. He expressed "no, no, no, no "; as if it were impermissible to take off a bracelet that carries the name of Major 1. There and then I knew the prophetic declarations of my spiritual father had begun to manifest. Long live Major 1 our Prophet!
