# TO THE HEART OF OUR FATHER, THE PROPHET

**Major 1, Today, your kingdom financiers' millionaires across the globe, celebrate you as a legend, a trailblazer, and a visionary of the Jesus nation!**

A legend because the prophetic anointing upon your life is legendary, epic, and extraordinary. you have mastered the art of the Prophetic with excellence!

A trailblazer because you set the trend - you sneeze and the whole world catches a flu, you speak a word, and it comes to life right before our very eyes!

A visionary of the Jesus nation because like grandpa, no one has ever come up with the term the Jesus nation except you!

Thank you for teaching us to smile in the midst of pain, to understand even in the midst of confusion, to trust in the midst of betrayal and to push forward in the midst of fear.

May you not only live long, but may you live a long, healthy, and exceedingly prosperous life!

May you live long enough to cause your enemies to be tired of your successes!

We love you Major 1

*Happy  
Father's  
Day!*

# USA BUSINESS SUMMIT REVIEW

## Welcome Interviews

---

*I had a great time hosting the red carpet at the KFMI Business Summit in Washington DC. It was a great pleasure meeting the USA Kingdom Financing Millionaires face to face and interacting with my brothers and sisters in the Lord!*

---

It was great to be one of the first people to gage the expectations and excitement that the Kingdom Financiers had for the event. Although our spiritual father Dr. Prophet Shepherd Bushiri does not have a platform on crypto, he saw it fit to teach his children the basics of Crypto, and indeed a lot was learned!

We took some good notes and applied them instantly. When I interviewed the Kingdom Financiers, amazing testimonies were shared, and our father blessed us! It was a privilege serving in the Kingdom, and I'm looking forward to sharing my testimony with you all soon, Shalom!

# MYSTERIES SURROUNDING YOUR MONEY

**For a long time now, many people have adapted themselves to wrong perceptions concerning money.**

They have been made to think that having a lot of money and being wealthy is a sin against God, but this cannot be any further from the truth.

I agree with the Bible verse that says in 1 Timothy 1:6, "The love of money is the root of all evil." But do you notice that the Bible makes mention of the "love of money," and not just money itself? In actual truth, the Bible says that "money answers all things," (Ecclesiastes 10:19). Not just, "some things," but rather, "all things," in totality. The difference between the two extremes about money, is determined by the following two factors: the purpose of the money and the desire of the person in possession of the money.

Money without a purpose is money that individuals use to satisfy their selfish desires. This is money that people use to go out clubbing, to fund unethical missions and so on. On the other hand, money with a purpose is money that an individual uses to benefit people other than themselves. In the context of this book, I would say, money with a purpose is money that an individual uses to help advance the Kingdom of God agenda for the use of the money that they give out. Some people help finance a particular project, not because their hearts are willing but because they are trying to portray themselves well and obedient in the eyes of men.

Some will help because they are forced to do so, yet others will do it simply because it is customary and habitual. Money that is handed out in such a manner can never yield back any beneficial rewards.

”  
*After reading this book you will never lack in your life, in the Mighty name of Jesus Christ!*

**Mysteries Surrounding Your Money**  
Author: Ambassador, HE Dr Prophet Shepherd Bushiri  
(C.D.K.E. C.D.S.E.F.O.R.E PhD)

When you decide to give out money, you always need to make sure that your heart is in the right place and that your intentions are pure. The Bible says God knows the deep secrets of our hearts. Thus, when you have a true and genuine desire to give out money for the sake of the message of Christ, you will see the reward and fruits of those who sow in the Kingdom of God.

I have been in ministry for a very long time. God called me at the age of nine, and since then, I have seen what real, genuine giving can do in one's life. My entire life is built on this principle, and when people ask me how it is that I got to be wealthy at such a young age, I tell them that the secret is in giving. You ought to understand that the Kingdom of God works with principles.

And therein, you will find that the Word of God speaks of the principle of sowing and reaping. Scripture informs us that whatever you give, you are bound to receive. If you give a ten-fold, God gives you back a hundredfold in return. I have noticed that the reason why a lot of Muslims are wealthy is that they capitalize on this principle. These people are extraordinary givers. But when you look at the body of Christ, it is sad to see that the most challenging thing for them to do is giving in church and to others. That is why many believers are very poor. In this book, I am going to address an issue that affects many; and a subject desired by many, as well. I am going to teach you about money and how you can use the money to be of benefit to you. I want you, at the end of reading this book, to be in a position whereby when you call out for money, then money appears.

And when it appears, I want you to be in a position to help finance and advance the Kingdom of God. After reading this book, you will never lack in your life, in the Mighty name of Jesus Christ!

# THE BENEFITS OF KINGDOM FINANCING

*We want to encourage all Kingdom Financiers to keep believing all prophecies that our prophet gave us because it will come to pass. Let us Keep giving as we are called to do as Financial Prophets.*

**Delphin and Sylvie:** We became partners in 2017 but we started being active in 2019. Since we became partners with our prophet our life changed completely.

We grew spiritually and financially. Now we are able to support the kingdom of God with our finances. When we joined KFM, we were struggling financially. We worked multiple jobs; we didn't have weekends off. Still the money was just enough to pay our bills, and we hardly had some left over to support the kingdom of God. We had to sell some gold jewelry for us to be able to travel to see our prophet. One day I had to give my necklace as an offering because I ran out of money.

**Evelyne Mutezinga** spoke on the privilege of being a woman as a financial prophet. A financial prophet is a Kingdom Financier of the Jesus Nation raised by God in order to take over the worldly financial systems with the sole purpose of advancing and bettering the Kingdom. As financial prophets, we give cheerfully, willingly, honorably, sacrificially, tirelessly, and with love.

## Kelvin Caga

Our second speaker at the USA Annual Business Summit was Kelvin Caga. Kelvin is a businessman from Minnesota who runs his own home health care business. Kelvin has been investing in cryptocurrency for over 2 years and has gained an incredible amount of knowledge from his own investing experience and has also been helping family and friends get started in cryptocurrency investing. Kelvin gave us a very enlightening and information packed presentation about cryptocurrency investing, and how to get started in investing. His presentation was geared towards the beginner investor wanting knowledge on cryptocurrency. There was a great deal of interest from the audience on Kelvin's presentation and Kelvin answered many questions.

## Jonathon Stone

At the 2022 KFM Annual Business Summit hosted by the USA on May 29, 2022, in Washington, D.C., two speakers gave presentations on wealth management, finance, cryptocurrency, and investments. This was the first time KFMI has hosted a meeting featuring speakers providing investment training. The first speaker was Jonathon Stone. Jonathon is the President of International Equity Placement, a member of the Chicago Board of Trade, member of the Chicago Mercantile Exchange, a professional investor, investment educator, and a trading coach. Jonathon spoke about all investment markets and trading stocks, bonds, commodities, cryptocurrency, how inflation affects markets, and told us about stocks and equities that we should invest in during volatile changing markets and economic uncertainty. Jonathon's presentation was well received and sparked a great deal of interest from the Kingdom Financing Millionaires.

# THURSDAY WEEKLY PRAYER SESSIONS

2 JUNE 2022

A seed is a type of sowing that must die first in order to grow and bear fruit. But Doron is a gift. The moment you put it on the altar, it begins to speak to you. Revelations, Business ideas begin to come forth, reminder of what you need to correct in your life

As you place it on the altar, See the altar as a place of sacrifice, remembrance, warfare, victory, exchange, opens doors.

As you give your Doron, God and Angels begin to take you seriously. Doron opens a way for you and ushers you to stand before the great.

Doron opens up Dorea for you. Dorea is a gift of personality. Destiny connectors.

16 JUNE 2022

#### Opening Scripture:

*“Then Samuel took the horn of oil and anointed him in the midst of his brethren: and the Spirit of the LORD came upon David from that day forward. So, Samuel rose up, and went to Ramah. But the Spirit of the LORD departed from Saul, and an evil spirit from the LORD troubled him.”*

1 Samuel 16:13-14 KJV1

The Prophet was sensing many attacks on the Kingdom Financiers.

He reminded the Kingdom Financiers that David was anointed when Saul was King.

He expressed that nothing moves him. He challenged our problems in the name of Jesus Christ, and reminded us that there's God in heaven, and that we would single handedly take care of Great things of the Kingdom.

The Prophet announced that God was calling us back.

He prayed that our faith fails not, and made mention of the fact that Peter received prayer from Jesus for his faith not to fail revealing that we too need the same prayer from our Man of God.

**On the 22nd of May 2022, Kingdom Financiers from Kenya Visited Blessed Kids Centre in Nairobi, Zimmerman, established 6 years ago by Madam Rose Bensuda, to spread a message of hope.**

6 years ago, Madam Rose received a call from the police asking her to come to their office, she heeded the call, and upon her arrival she was surprised as the police requested her to take care of some abandoned children in the area. Being a Strong woman of Faith, she accepted the assignment, and immediately started housing the destitute children in her one-bedroom apartment.

God's Grace has been sufficient, and now her center hosts 36 children with 6 children in High School, and 30 children spreading across Nursery School and Primary School.

Regardless of her many efforts, the center is still facing several challenges, ranging from food shortages, rentals, and school fees for the children in high school.

We observed the following, despite their challenges at the center; the mood amongst the children remained jovial, they pray fervently trusting God, and they have great knowledge of the Word of God. They spend their time in song, along with poetry and psalms.

The Kingdom Financing Millionaires in Kenya, blessed the children with the following items: Yellow Beans, Basmati Rice, Maize Flour ( Unga), Nngengu (small dry green beans, Cooking Oil, Bar Washing Soap, Pampers, Vaseline/Valon, as well as some much needed clothes.

We had an amazing time with the children, and to our surprise they prayed for us!

WE CAN'T WAIT TO GO BACK FOR ANOTHER VISIT!

Lilongwe

MALAWI

**On the 27th of May 2022, KFM Malawi visited Chikondi and Mpatso Care Centre in Area 25 Lilongwe.**

Chikondi and Mpatso Care Centre is a center that provides a feeding program for orphaned children or children in the area whose parents cannot afford to feed them. The care center has a total of 151 children ranging from ages 3 years to 26 years, this includes 26 children in nursery school, 111 in primary school, 12 in high school and 2 young adults at tertiary level.

In addition to the food program the care center also provides free education to children at nursery school level, and also provides essential school items such as stationary (books and pens) to the children at primary and high school level. The care center is a safe environment that provides love and support for the children. Even though the children do not stay there; the center works closely with local chiefs and churches in the area to ensure that each child has a guardian or care giver who they stay with. The care takers of the center often visit the homes of the children to ensure that they are taken care of and supported by their guardians.

During our visit the KFM Malawi team and Kingdom Financiers donated some basic food items to further assist the care center with their feeding program, as well as clothing for the children. Among the food items that were donated were basics such as maize, rice, beans, soya pieces, sugar and oil and sanitary pads for the girls. These items would be able to assist with feeding the children for a period of two (2) months without running out. This was an incredible experience for KFM Malawi as it also gave the team an opportunity to engage with the children at all levels while speaking to them about the love of God. The children were so happy to have been visited by

On Friday 13th May I woke up with an email from funders in Switzerland. They stated that they wanted to fund our organization with 1.3 million rand. This came as a result of the Thursday weekly prayers we have with the Prophet. On one of the Thursday Prayer and anointing sessions, the prophet said that we would receive contracts and tenders we did not apply for. Guess what I did not apply for this one. All Glory to the God of Major 1.

Geraldine Ngowi

I have several testimonies, the one which I will share occurred during the time of covid when my business place was closed, everybody including the General manager and assistant were not working, but I was the only person allowed to go to work in a place which has 150 employees!

People of God, when I joined this ministry, I came in for reasons such as healing and deliverance. I then started knowing that I had joined a Prophetic church, and acquired a certain knowledge, that when you follow a Prophet, you will prosper! I started being faithful in my giving. I stopped worrying about if I could make it or not because God was always providing for me. When you give to support the work of God you are going to see what God has for you. I am so blessed and Highly Favored! I am praying to increase in my giving and being consistent. The Prophet once prayed for us and reminded us that God is faithful, and that He would do what He said He would do!

Sylvia Karanja

I am a KFMI partner in the USA. On Saturday, May 14th, I graduated with a master's degree in nursing. I am currently studying for my board exam. I give glory to the God of Major 1.

Yatab Mandazi

It all started in 2018 when I attended the first-ever International Visitors Program in the USA. I went to Washington DC. I was very desperate; nothing was moving in my life career wise. When I went, the Prophet located me, he did not say anything, he just held my hand for a few minutes and left. Immediately when I returned to Texas, I started having issues on my job where I was a beauty adviser. Prior to that, I was an esthetician in Canada, then I moved to the USA to practice as an Esthetician. However, the government in the USA told me that they could not consider my credit, they stated that I had to go back to school and take a full class which would take me an entire year. Sometime after, I received an email telling me that they had reconsidered my credit, and I was allowed to start practicing. I found a better job, but the anointing was too much to have a job, I had to own my business. In 2020 we registered the business, and we decided to name it Yatab, inspired by the preaching of the Prophet on favor! The pandemic started 2 weeks after we registered, but being a kingdom financier, we knew even COVID could not stop the anointing of our Major Prophet. We started selling our products in farmers markets. To our surprise we became the most popular vendor in the market in 2021. With the anointing of our Major Prophet, we decided to try one of the biggest competitions in Texas - HEB QUEST FOR BEST OF TEXAS. There were 1450 companies, and we were one of the 20 finalists, which automatically put us on the shelf of HEB stores coming September 2022. While we were getting ready to put our product on HEB Shelf, another prestigious grocery store contacted us, they wanted the product ASAP. The Bible says, "no eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love him". This is what God of MAJOR 1 does. I would like to encourage every kingdom financier, WHEN YOU ARE UNDER THIS ANOINTING EVERYTHING IS POSSIBLE! THERE IS NOTHING THAT CAN STOP US, NOT EVEN OURSELVES! – Elisabeth Varondi, Founder and Owner of Yatab Mandazi Africa Beignets

I thank the God of Major 1, for my healing. The anointing of Prophet Bushiri, my spiritual father, is very real. I was healed from a chronic ailment that I was born with, Chiari Malformation. I had several surgeries including part of my skull being removed. A machine was implanted inside of my spine and head, cutting the nerve from my spine and taking the habit of forming addictive narcotic medications for over 15 years. All these surgeries and medication were still NOT able to control my levels of pain. I had to continuously and frequently check into hospitals to receive IV pain medication, which was not available to take at home, you were only allowed to take the medication at the hospital. After I met with the Prophet, my Spiritual father, Prophet Shepherd Bushiri, within one month I was totally healed. It took about 1 month to be off all my medication. The course of the medication about 4-6 weeks. Please see the several medications which I was taking. I thank the God of Major 1, daily. The anointing is very real, but to receive and maintain your healing you must have clean hands and a pure heart. I also had my student loan canceled which totaled over \$77,000.00 dollars. My dad also received his healing! The anointing of Papa healed my father, and he's not even a part of the Jesus Nation, yet!
