WELCOME TO RISE OF THE FINANCIAL PROPHETS

Dear Kingdom Millionaires,

**Thank you so much for your generous donations!
You have given selflessly, tirelessly and bountifully!
Thanks a million!**

Thank you for allowing the Lord to use you as a financial Prophet. Through your generous donations, we have been able to help the needy, spread the gospel to all four corners of the world and bring hope to the hopeless.

See our website for more on what your donations have been doing over the last period: <https://kfminternational.org/charity-outreach/>
May God continue to raise you to become a financial solution just like he did with Joseph.

Gen 47:15

So when the money failed in the land of Egypt and in the land of Canaan, all the Egyptians came to Joseph and said, "Give us bread, for why should we die in your presence? For the money has failed."

Joseph was appointed by God to save the people Egypt and Canaan from drought. He became the pioneer of the financial solution that saved Egypt from its greatest famine and drought.

As a financial Prophet, May you like Joseph become the source of financial solutions, strategies and answers. May you become the answer not just for your family and community, but for the whole nation. When money fails, May people run to you for solutions. And May you by faith download strategies from above that will save and deliver God's people from poverty.

Keep going! Greater things are coming ahead! You are a Kingdom Financing Millionaire of the Jesus Nation! A Financial Prophet!

Thanks a Million!

KFMI PARTNERS RETREAT REVIEW

Spiritual Crossover

This is the year of the Jesus Nation, carried through by the new Prophet. A new level of spiritual dispensation is available in this year of 2022.

With the presence of the godfather of modern day prophetic, Ambassador Prophet Uebert Angel, and our father the expert of the prophetic: Dr. Prophet Shepherd Bushiri, the Spiritual Crossover was also graced by the presence of our mother the lioness Prophetess Mary Bushiri. It was a night of prophetic exacerbation amped.

Millions connected from all over the world ready to journey the new chapter of 2022. This is the year of promise for God announced that this is the year of the Jesus Nation rising.

Major 1 declared that any Kingdom Financier who came baring sickness would leave every sickness behind. For God will give everyone health to carry out the mission in the Jesus nation. Those who have been struggling, seeking breakthrough received grace as they spiritually crossed over. The Prophet declared: "your money will be money with a mission to serve in this Jesus nation. The Egyptians you see today you will see no more, for the Lord is making a road for you through the ocean."

Every situation that was a problem was put to a stop. "By your right hand you will chase ten thousand, you will chase millions and become a millionaire! You shall touch a blessing and become a blessing! Every attack that was towards you has been repelled!" This was the prayer made by our father the new Prophet.

The Prophet made announcements that this being a spiritual year, this is the year whereby in one's time of need they can go & collect mercy from the throne of grace. 2022 is the year where sons and daughters of Major 1 will truly walk and operate in the mind of Christ.

OUR PROPHET'S *Birthday*

”

*Major 1's
Birthday
Celebrations with
the KFM's*

The Kingdom Financing Millionaires who had travelled to Lilongwe and those connected remotely from all over the world had an opportunity to host a birthday celebration for the Prophet of our time, Prophet Shepherd Bushiri.

The evening was lit with a great celebratory atmosphere, elegantly dressed KFMs, distinguished guests, mouth-watering food, and of course the presence of the Prophet himself.

By the grace of God, KFMs managed to honour the Prophet by gifting him with a brand new SUV that has been customized with special features fit for a Prophet's lifestyle demands. This was among a countless number of other gifts that were presented to the Prophet at the dinner including heart-warming messages and words of a blessing to the Prophet.

At the heart of the evening was the Prophet's very own birthday wish of having one of the schools which he had just completed building, being fitted with finishes such as a science laboratory, school library, and hostel furniture just to name a few. As always, the KFMs heeded the call and immediately pledged themselves to this worthy cause of being a blessing to others and changing lives for the better. Present at the dinner were some of the management heads from the aforementioned school. They were very happy and appreciative of the pledges made and their motorcycles gifted by the Prophet to transport them to school. They expressed their gratitude to all for the wonderful gestures.

The evening ended with the Prophet expressing his gratitude to God and everyone who was present, he also released a blessing to all attendees and blessed the rest of the party celebrations when he cut his birthday cake for all to share! – **Nobayeni Getyengana**

MAJOR 1 BIRTHDAY PARTY

Experience

We are so blessed to have been a part of the Birthday celebration for Major 1 on February 20, 2022. We were able to attend all the worship services, IVP, and Kingdom Financers meeting prior to the Birthday Celebration.

The birthday celebration was the highlight of the weekend. We were able to experience firsthand the birthday wishes from many people present including Prophet Uebert Angel, Prophetess Mary Bushiri, fellow Kingdom Financers, and many others. Prophetess Mary Bushiri's birthday wishes to Major 1 were truly amazing to see in person.

The special birthday message from Prophet Uebert Angel was also remarkable to experience. The highlight of the evening was the special happy birthday message and dance from Major 1's daughter Raphaella.

We were impressed with the entire celebration from the special guests to how the room was decorated. We are so grateful for the whole experience of Major 1's birthday celebration and being present to witness it firsthand. The atmosphere was electrifying from the wonderful music and entertainment to seeing Major 1 thanking everyone. We give thanks to the GOD of Major 1 for allowing us to be at this party.

Evelyne was given an opportunity to wish Happy Birthday to our father Major 1 as follows:

“My words are not enough to express the joy in my heart to have a Major Prophet whom I call My Father who speaks with God Almighty face to face.”

How can I wish a Happy Birthday to My Prophet? Which words can I use, what can I do, what can I give you, My Prophet? If I had a mountain full of diamonds, I would give it to you. If I had 80 billion Dollars, I would give it to you.

Blessed is the womb that carried you for nine months. Blessed is the woman who nursed you. Blessed are your parents and siblings who saw God through you everyday since you were born. Blessed is Prophetess Mary the most blessed woman in the whole word who gets a chance to prepare your meals, support you, and pray with you. Blessed are your biological children who will always occupy a special place in your heart. Blessed are all of us your spiritual children.

Thank you for accepting your call as The Major Prophet Thank you for giving us a Powerful Major Grandpa Uebert Angel. Our lives have changed. We have received deliverance. We have been healed both physically and emotionally.

We have been elevated, promoted. Your God has made us wealthy and rich. Happy Birthday to you my Voice, my Oracle, my Prophet whom God Almighty speaks face to face. Live long Major 1. My family and I will serve your God and your Ministry. We will support your Vision with all we have and with all we are.

Happy Birthday Major 1, Happy Birthday my Prophet - Evelyne and Jeff Prischmann

INTERNATIONAL VISITORS

Programme

“For I know the plans I have for you, plans to prosper you and not harm you, plans to give you hope and a future.” – Jeremiah 29:11

If there's a verse to use, to sum up, the International Visitors Programs is Jeremiah 29:11. The events were well-thought-out from start to finish with the main goal of getting everyone a moment to worship and be with God. And that's exactly what we experienced this past February. A myriad of us came together to pray, worship, and receive a Word from God. It was an incredible and beautiful thing to see people from all over the world (over 80 countries) come together for just that one purpose.

Ever since I came back home to Minnesota from the Jesus Nation and Spiritual Crossover/IVP, I have held on to a special letter from Prophet Shepherd Bushiri that came along with special take-home gifts that everyone received. The letter itself was short and sweet. However, what made it very special, was the message about what God planned for us in this year of the Jesus Nation. This letter was one of the most memorable experiences and the truest testament to how God moves.

Here's what one paragraph of the letter from Major 1 read, "What you came looking for has already been answered. You will be going home delivered. A miracle has occurred in your business spiritual life, finances, family, and everything about you has been restored in the mighty name of Jesus Christ." What a powerful message that was! We went to IVP that evening wanting to hear the voice of God and we did. It was exactly what we were praying for and exactly the words we wanted to hear! I remember reading this and asking myself "How did they know?" Little did I know that that was the illumination of His Holy Spirit. It is when the Word leaps off the pages and grips your soul and intersects with challenges that you have been dealing with.

Have you ever been sitting in a church when the preacher reads one or two verses that he's going to be teaching from, and all of a sudden, all your senses were awakened because you felt like it was all about you? That's precisely what happened to me when I was reading this letter. I was in awe, and I kept on reading it with an overwhelming feeling of reverence.

It has been a great thrill to retrospectively look into my past and see the hand of God working out everything that I was going through.

Usually in the evenings after every service, my family and I like to sit in the lobby and share verses, notes, what we recall from teachings of the day, and wonderfully memorable experiences over some ginger tea and some snacks. We shared how special that evening was and how we all experienced the revelation of the Holy Spirit, and how He moves in subtle and sometimes in not-so-subtle ways. How we all got to experience the wonderful magnificence of God that evening individually and as a family!

A little bit of confession about myself is that when I went to Malawi, I was completely broken, my life was full of stuff, my heart was in turmoil, and my business was stuck in a rut. I have never known how to pray but I knew that God had brought me there for a reason. I knew that I wasn't there to just fill the space or to be seated on the periphery and applaud His experience with other people. I had seen His miracles and celebrated testimonies vicariously through my family, but I wanted to also have a testimony of my own. I knew that this was my time to spend with God in prayer and conversation. I knew that I had to take advantage of this privilege to hear His voice and His message through our Prophet. But what I experienced was more than what I expected, and I have been grateful ever since. And it has been a great thrill to retrospectively look into my past and see the hand of God working out everything that I was going through.

At gatherings like these where we get to spend a few days worshiping and praying to God, it is the kind of setting where God stirs up your soul and shows us that we are not defined by our past, our failures, or our struggles. These are moments that God reminds us that He is who He said He is and He's going to do what He said He was going to do. In conclusion, a wonderful verse I would like to share is Hebrews 11:32-34 "And what more shall I say? I do not have time to tell about Gideon, Barak, Samson and Jephthah, about David and Samuel and the prophets, who through faith conquered kingdoms, administered justice, and gained what was promised; who shut the mouths of lions,". – **Pasteur Mudende**

KINGDOM FINANCIERS TRIP TO *Mangochi*

It was an experience marking a day to remember. Being a follow up visit to Mangochi; (Goshen City to see the progress, especially on the cathedral and the chapel; our very own sanctuary.

There were unexplainable, shocking spiritual encounters with the presence of God's Spirit along the journey. Kingdom Financiers shared the Word of God, stood in intercession, praised and worshiped and gave testimonies of Him all the way throughout the four hour's drive. The atmosphere was filled with joy and laughter.

The Holy Spirit spoke and all in one accord the Kingdom Financiers agreed each one to sow a seed in any global multi currencies connecting to the grace and anointing of Goshen. Prophecy by the Major Prophet was confirmed as the bus was named Barach. This was the first time to sow seed in the newly officially opened chapel and in the presence Prophet Uebert Angel (Grand Dad)! This marked a very high level of anointing.

On arrival, Prophet Shepherd Bushiri, in a humble and loving manner amused the Kingdom Financiers, taking pictures with them individually as around a hundred of them lined up for the great moment. The team walked around the site, connecting with the high speed at which Goshen City is being built. The place really feels like home.

The Kingdom Financiers are grateful to God every day for this grace and blessing, this favour to be a part of God's plan, building Him a city and being chosen by Him for that purpose.

Kingdom Financiers are therefore calling out all partners to visit Goshen City, not to let this year end because they need it for sure. - **Yvonne Kariuki**

FINANCIAL CHANNELS OPENED FOR KINGDOM FINANCIERS

Thursday 10th March 2022 is a day to be remembered in the lives of every Financial Prophet in the Jesus Nation. It was indeed a Day of Encounter with the God of Major1 as He released a Financial Blessing over our lives.

On the previous Sunday, The Major Prophet mentioned in a live service that God was set to release breakthroughs, open treasures and financial channels the following week on Wednesday and Thursday respectively. He then mentioned that He would pray with his partners on Thursday.

The meeting started off with The Major Prophet Shepherd Bushiri declaring a special blessing upon every faithful tither as instructed by the Lord. He pointed out Malachi 3:10 where the Lord promises an outpouring of his blessing as we faithfully bring our tithes into His house.

He later on explained to us how Cain received a hidden spiritual mark from God not only for protection (Genesis 4:15) but for prosperity. He also emphasized that when God wants to protect someone, He also opens their financial channels. Major pointed out that heaven operates on and uses signs. It's this mark of a blessing that made Enoch his descendant build a city. He told us as his Financial Prophets that we need a mark upon us in order for our doors to open.

Dad also encouraged us that when God wants to prosper you, He releases a blessing (Proverbs 10:22). The Prophet also indicated that Abraham had a blessing from God (Genesis 12) and when he went to Egypt he came back with so much wealth because he had God's blessing (Genesis 13). Dad encouraged us to not lose our faith because we don't have money (Hebrews 13:5). He told us that's what the enemy uses to try to frustrate children of God.

He then anointed, prayed and released a financial blessing upon our lives. He opened our financial channels and urged us to stir the gift that has been released upon us (2 Timothy 1:6). On Thursday 18th March 2022, Major1 anointed us his Financial Prophets as he used Haggai 2:8. He told us that silver and gold belongs to God and God will be releasing it upon our lives for the prophetic mission to finance his Kingdom - The Jesus Nation.
