## KINGDOM FINANCING MILLIONAIRES MIDYEAR 2022 REVIEW

*The next 6 months for Kingdom  
Financing Millionaires*

*Anniversary  
Celebrations*

## THE BIOGRAPHY OF DR SHEPHERD BUSHIRI HOW IT ALL STARTED...

# WELCOME

## Dear Kingdom Financiers,

**Welcome to the month of new beginnings! A new chapter awaits you.  
Cease it! Capitalise it! Maximise it!**

Well done for making it through the first 6 months of the year. You have come out unscathed, unharmed and victorious. When the devil thought he had you, he failed and you prevailed! You funded the kingdom with your substance, You never gave up and you are still here. Let's keep going for the journey ahead is still long. But with God on our side, we are guaranteed 100% victory.

**Today I will be taking you through my journey as a Prophet, a business man and father to many nations. We also look back at the last 6 months as well as the journey ahead.**

- **In January** – We welcomed the new year of the Jesus Nation, the year of taking over the 7 systems of the world
- **In February** – We crossed over spiritually together into the Jesus nation year as You my partners came from many nations to come and celebrate my birthday
- **In March** – The new Kingdom Financing Millionaires was born and we embarked on the journey of becoming the Financial Prophets of the Jesus nation who give tirelessly, cheerfully, willingly, honourably, sacrificially and with love. The old partnership was closed and a new generation of Kingdom Financing Millionaires emerged, and it's still emerging.
- **In April** – We celebrated Easter together as I took you on a virtual tour of the Holy Land where we brought back some very important elements from which I gifted you the Game Changer Anointing oil. A concoction of vital Anointing Oils from Israel (The Messiah's Fragrance Oil, The Prosperity Oil, The light of Jerusalem Oil, The Prince of Peace oil, The King David Oil, The King Solomon Oil, as well as the Balm of Gilead Oil)
- **In May** – Our meeting was hosted by KFM USA, where I taught you about Doron, a gift that opens up Dorea (Destiny connectors) for you
- **In June** – Our meeting was hosted by KFM SA, where I taught you about Solomon's bountiful and tireless giving which gave him dominion over money. His giving moved God so much, He presented him with a blank cheque!

**The next 6 months are going to be even more glorious for you as a kingdom financier. You have been equipped to make it. Giving up is not an option. You are half way there. Whatever didn't work in the first half of the year, I want you to get up and try it again. This time it's going to work. That door that has been closed for the last six months, is getting ready to open. You just need to get up, extend your hand, grab that handle and with all your might, PUSH until that door opens!**

Remember, through the covenant of salt, you received the establishment, preservation and seasoning of your calling and covenant as kingdom financiers of the Jesus nation just like David's kingdom in 2Chronicles 13:5.

David's Kingdom was preserved by the covenant of salt and therefore became the most powerful, victorious, outstanding and the most long lasting kingdom. David became the most powerful king because God established his rulership with the covenant of salt.

**With us having done the covenant of salt, 2 things are therefore certain for you as a Kingdom Financier:**

1. **Nothing will die in your hands - Your businesses, families, marriages, children. Only life will prevail on everything concerning you!**
2. **You will season and bring a good taste to everything around you - Your communities and nations - You will bring good taste and good repute!**

Receive your blank cheque today it in Jesus Name!

## PANEL DISCUSSIONS

### THE TRANSFORMATIVE ABILITY OF KINGDOM FINANCING

#### What Role has Kingdom Financing played in your life?

When we started our business Major 1 visited me in a dream and said to me, "there is a town that I want to show you, but it is a small town, nobody is looking at that town – it is underdeveloped. But you must go there and start your business." Thereafter we managed to buy 10 properties of which 3 are guest houses which are doing so well. Before Joining partnership, we had 2 properties. After Joining Partnership, we now have 17 Properties. One of my highlights was when I went on one of the retreats in the year 2021 – during the period of 1000 prophecies. The Prophet wrote us prophecies in the form of a letter. My letter wrote "I see a blue sky, and It is Done!" At that time, we were applying for a guest house called blue skies. Once I read the Prophecy, I knew it was done. We opened our guesthouse this year on the 12th of April, and it is doing sooo well. Kingdom Financing has impacted every area of our lives!

#### – Mr and Mrs Mametsa - Gold Card Holders,

Directors and owners of Matshedding Trading Enterprise, trading as Ikhut-seng Guest House and Frapo Industries Pty Ltd. They are in the business of Construction, Property Management, Supply and Delivery and Rehabilitation in the Mines.

#### What was it about partnering that has brought you to where you are in the Crypto area?

My Breakthrough in Crypto began when I started becoming a consistent partner with the prophet around 2019 – 2020. It all started when I had a dream of a prophet who took me to a certain land – now realizing that that land is Goshen. In the dream, where he took me, it was like everything that pertained to me was sorted, I was complete in the dream. A few months after I had the dream, we had a major breakthrough in Cryptocurrency. We had a breakthrough of \$3M which amounts to approximately \$R44M. It was a groundbreaking miracle!

– Mr Francis Kapuya – A Bronze Card Holder, and an avid Cryptocurrency Trader.

#### As a Kingdom Financier, how do you get to a level of consistency especially in your case as a Chartered Accountant?

Partnership is not a transaction, being an accountant, I know that I do not transact when I give. When I put something into the house of God, I am not buying anything, and I am not hoping to get something immediately, because I know that God can use any other person. I therefore feel privileged that I am a conduit through which God chose to channel funds through. When I receive my money, I understand that it is not necessarily my money, because I have made a covenant with God, so first I attend to that. I have realized that once you start taking care of Gods business, He takes care of you! I have not reached the heights of business, I am an employee, but buying a house of R3Mil as an employee seems like a far-fetched idea, but God did it for me. I see so much grace in this house, and I have come to the realization that its not about what you do, it is the hand of God! Once you acknowledge God, and you give everything to Him, He will surprise you! He will show off, He can really show off!

– **Tebogo Mokefe – A silver card Holder**, an accountant by profession who holds a master's degree. She has worked in the private sector, international NGOs, currently in the public service appointed as the CFO in the Department of Transport and Community Safety.

#### Has giving and success always come easy for you?

It has not always been easy. We still fast, we still pray, but you know, the grace is too much!

Partnership has taught us that a relationship with God is a relationship in its literal sense. Its literally a marriage, and you need to nurture that marriage. You need to spend time in prayer and fasting. It is very important to illustrate to the Kingdom Financiers that when I was still drinking and partying, there was a spirit behind that behavior. Kingdom Financing has shown us that we have done away with the unholy spirits, and we have partnered with the Holy Spirit. In the same fashion that the unclean spirt knows how to find substances, alcohol and parties, The Holy Spirit knows how to find prosperity, He knows how to find peace, love, joy, and all that which encompasses who He is. Giving holds a big promise of God, that He will open the windows of heaven and pour out a blessing so huge that you will not be able to contain it! Giving is a big Kingdom Secret!

– **Moses and Nathalie Dibe – Platinum Card holders**, Founders of Motsewarona Construction and Maintenance

# YOUR BUSINESS' FINANCE & CORPORATE GOVERNANCE

*Guest Speaker*

## **Mr Martin Majaji**

Our first speaker of the evening – Mr Martin Majaji – A Senior Finance and treasury official who has worked for various major companies listed on the JSE – in the banking Mining and telecoms sectors. He was a chairman of the board of trustees on the mine workers provident fund, he is a registered accountant, as well as an MSc from the University of London.

Key aspects outlined by Mr Martin Majaji:

### **GOVERNANCE**

- It is very important to formalize all your trading activities into separate entities
- Implement a portfolio approach for cryptocurrency trading, don't take funds from your main business account and start trading – set up an entity for trading
- Once the trading entity is set up, give the trading entity a loan. The loan becomes an asset – if the entity become profitable, it will in turn pay you back. If the trading entity makes losses, you can claim from the losses
- When running your business, always make sure that you pay yourself a salary or you pay yourself through dividends – Don't take from the main business account for personal use
- When to set up a board of directors – when your company reaches a turnover of +/- \$10M
- Setting up a board of directors is beneficial for you, as they provide you with a wealth of expertise

### **CREATING VALUE THROUGH TAXATION**

- Submit your tax returns both when you are profitable and when you are making losses – recorded losses add value to the business. The day the business becomes profitable, you start claiming the losses made
- Make sure all your business activities are put into separate entities. Its important to always submit your tax returns, get advice from tax consultants, and make sure that losses made are recorded because they add value to your business

# THE LEGAL FRATERNAL AS IT PERTAINS TO BUSINESS

*Guest Speaker*

## Advocate Salemane Phafane

Our second speaker of the evening - Advocate S. Phafane KC who is a holder of a Diploma in Law (Dip. Law), a Bachelor of Arts in Law (BA. Law) and a Bachelor of Laws (LLB) from the National University and has been in the practice of law from 1987. In 2008, the honor and dignity of King's Counsel was conferred on him by His Majesty The King in recognition of his fidelity, integrity, ability and contribution in the development of legal jurisprudence in Lesotho and in the region. He has been in fulltime practice of the law as an Advocate of the Courts of Lesotho and the Republic of South Africa.

Advocate Phafane exhorted the Kingdom Financing Millionaires and opened by expressing that as businessmen and women, it is important to incorporate and pay special attention to the legal aspect as it plays an important role in business.

Advocate Phafane started off by highlighting the fact that there needs to be a clear understanding of the relationship between the legal fraternity and business, as one cannot risk running a business without knowing and understanding the legal framework that is at play in the country wherein business is being conducted. If the legal aspect is not considered when engaging in business, you are bound to lose everything that you have worked hard for all your life!

### Key take aways from the Advocates Presentation:

- Law and business are intrinsically intertwined
- If Business and law are separated, it is done so at the risk and peril of the business owner
- Neither Business nor law may be practiced in isolation – they are inseparable
- Knowledge of legal implications will enable Financial Prophets to design financial transactions in a proper fashion within the 4 corners of law – Know what is permissible, doable and what is not doable
- Business and law scholars have concluded that 'constant interaction between legal professionals and the business sector provide the best mechanism for growth, as all involved are increasingly equipped to steer businesses into clear waters'
- Technical knowledge of lawyers and their ability to practically apply legal knowledge to draw and outline what is permissible, makes a robust contribution to the range of skills that are needed to augment development and commercial activities
- "It is vital to understand that lawyers contribute every single day, not only to making business sustainable, but also help them flourish, by completing business and contractual obligations and commercial transactions, resolving disputes, facilitating the flow of funds and investments, encouraging innovation through the protection of intellectual property and rights, and advising entrepreneurs on viable business solutions. Lawyers are able to positively impact the growth of economies."
- In the result therefore, the importance of a proper understanding of legal guidance on what to do, what not to do, when to do, how to do before embarking on any business venture cannot be over emphasized
- The risks and the consequences of trying to bypass the legal framework and guidance from the legal fraternity and business are too ghastly to contemplate, and must be avoided at all times, no matter the circumstances

Industry 4.0 is all we are talking about, while the world is doing industry 4.0, Africa is still thinking about it. Companies are always looking for ways to improve their Key Performance Indicators. We saw a gap in the market to use IoT as a vehicle to digitalization.

We provide productivity solutions using IoT (internet of things), our solutions also include Artificial intelligence, Machine learning, and Big Data Analytics. We offer the full IoT eco system to revitalize the manufacturing sector. Most manufacturing companies collect data, but they are not using it. We use smart sensors to mine data on their machines and use that data to tell them how inefficient they are. We use that same data to help improve their processes, so they become efficient and faster. This helps them become more competitive and save money. They gain more business and create more jobs. These SM-MES are the backbone to the economy and job creation.

What makes us different from our competitors is our business model. We offer these services at a subscription cost model. And this appeals to SMMES more because they can't afford to invest in the technology but can afford a subscription. We carry the investment cost and the more companies I have on my platform the more profitable the business model is. The markets I am penetrating are manufacturing, healthcare, waste retail and warehousing. The IOT market is still in its grassroots. We have 2 clients and we have chosen to start with the manufacturing sector because they are the easiest to penetrate. We are turning ordinary factories into smart factories.

A blessed wedding anniversary, dear mum, and dad. It's been 11 years, in fact Four Thousand and Eighteen Days, including 3 leap days. Which are ninety – six thousand four hundred and thirty – two hours. Which are five million seven hundred and Eighty – Five thousand nine hundred and twenty minutes. Which translates to three hundred and forty - seven million, three hundred and thirty-two thousand three hundred and twenty seconds. That makes it about one billion combined heartbeats. That's what we are celebrating today. Heart beats of love, heart beats of God's Blessings. You have been together for this long. We wish you a blessed wedding anniversary, and many many more years to come. In fact, many more billions of heart beats together. We love you.  
**- Joan and Rene Stabingis, GERMANY**

*Lea - Louise Koenders*

**THE NETHERLANDS**

## **We know that Kingdom Financing is your Passion, tell us more about yourself**

My name is Lea Louise Koenders from the Netherlands, Amsterdam. I was born in Suriname Zuid Amerika, and at the age of 18, I moved to the Netherlands. In December 2019, by divine appointment, I was watching Prophetic Channel from a link that a Facebook friend had shared. Watching the service made me hunger for more. An announcement for ISOS December 2019 was made, and so I signed up for the classes. From then I admired the Prophet, his great wisdom, knowledge, and the anointing. I am currently serving as a leader of the Zebulon Tribe and I am also a steward in the Tribe of Joseph, which is also part of Financing the Kingdom of the Jesus Nation.

At a certain point in my life, I was tired of being an ordinary Christian, and I desired to learn more and to have more knowledge about God. So, I poured my heart out to the Lord Jesus to lead me to teachers who would teach me to serve God on a deeper level and to worship Him in spirit and in truth.

Indeed, Jesus led me to the Major Prophet, my spiritual father Dr Shepherd Bushiri. I honour his greatness, anointing, wisdom, knowledge, strength, power, faith, the grace, and favour upon his life and that of our Major mom Prophetess Mary Bushiri. I know my prayer has been answered.

## **In your opinion what is the fundamental role of Kingdom Financing Millionaires of the Jesus Nation in this final Dispensation?**

Give willingly and with joy in my heart. Giving is a part of my life! My greatest motivation to give is out of gratefulness. I am so grateful for what God has done in my life and also His faithfulness.

## **What was the driving force behind your decision to partner with the Prophet?**

The reason why I decided to partner with the Prophet, is that I believe in the Prophet and the great assignment that is upon his life. I do not want to miss anything in line with supporting what he believes in - The Jesus Nation. I decided to become a Kingdom Financier to support the Kingdom Financing Millionaires of The Jesus Nation regularly, and I believe that the best way to do that is to become a cardholder for one to be consistent.

## **Tell us more about the industry you operate in?**

I am an entrepreneur and business owner in the beauty industry, as well as in paramedical treatments.

## **How has your life evolved ever since you renewed your Membership with the KFM?**

Being a partner, and by also renewing my membership, I see the anointing of my father working in my life, and also in the life of my children and my family. The anointing has brought us deliverance because that was the most important thing that we needed in the family.

There are also many solutions we are experiencing along with the revelation of what was causing the problems like depression, anxiety, and many difficulties in the family. We are at peace, and we are blessed with yet more to be received. Thanks to God of Major 1.

## **What impact are you set to make, as a Financial Prophet?**

Giving is part of my life because Christ who lives in me is the Greatest giver. He gave His life for us, so nothing that I ever give or shall give will feel like a sacrifice for me. Everything that I own is from the Lord. I feel the joy of giving in my heart, my soul, and my spirit. Nothing is too much for me.

Many times, I had dreams and visions where the Lord directed me to give to a person in the form of a seed or sacrificial offering, and I always obeyed. I thank God for that.

## **How can KFMI Extend its reach internationally?**

By our testimony and our lifestyles as KFM, we can motivate others on an international level. Recognise your identity as a prophetic millionaire and you will attract favour, which will in turn cause people to wonder and be curious and want to know the God that we you are serving. Be an example in giving, especially when it comes to supporting Kingdom projects- that is the impact I make as a Financial Prophet.

## **Which Key areas does your business specialize in?**

As a paramedic, I am a specialist in the reflexology of the sole of the foot. I am always aware that the Holy Spirit is my business partner, and He is there to represent God in my business. I believe that's what He placed in my hands to do, so I do it with excellence and joy. Whoever visits my business experiences peace and receives a word of motivation and encouragement.

I trust God for excellence in the industry in which I am operating in. I had a great opportunity as a KFM on the retreat in December 2021 to pray for that in the prayer room of the Prophet. Also, in February 2022 I was part of the retreat to the Goshen City. I hope to be blessed and be part of the business plan in the Goshen City. Shalom.

# KFMI CHARITY OUTREACH

BOTSWANA

Francistown

*Thank you  
for all  
the generous  
donations!*

## BOTSWANA GENDER BASED VIOLENCE AND PREVENTION WOMENS SHELTER

The Kingdom Financing Millionaires of Botswana visited the Women's shelter (BGBVC) in Francistown for their second Charity Drive of the year. The Botswana Gender based violence and prevention Women's shelter is a non-profit organization founded in 1998 by the Kagisano Society, with the aim of preventing and responding to violence to women and children, (and some men) in Botswana. The Women's shelter provides temporary shelter to women and children who have survived violence in their homes, most of who have come out of their homes with nothing to support themselves with.

KFM Botswana donated some funds towards the organization, and on the 18th of July 2022, a few kingdom financiers from Francistown together with the Botswana Coordinator gathered to go and buy some of the goods that had been requested by the shelter. The items purchased consisted of pillows and pillowcases, canned meat, canned fish, sump, vegetables, toilet paper, bath soap, toothpaste, and body lotion.

The program started off with a word of prayer and a brief introduction of who we are as KFM, and what we do. A message of the love of God was shared, and the Botswana Coordinator presented the donations to the officers.

It was unfortunate that entry was prohibited by the shelter for security reasons, so we could not meet the survivors to encourage them and to let them know that God loves them, but we sent our love through the officials. One of the officials gave a vote of thanks and closed off the event.

## JEHOVAH JIREH MUSTARD SEED

In the month of June 2022, Kingdom Financiers in the Free state embarked on yet another Charity Drive, this time in Qwaqwa. KFMI Free State visited Jehovah Jireh Mustard Seed - a home that houses 72 children with ages ranging from 7 to 20 years. These children have suffered physical and emotional abuse (especially rape).

The Kingdom Financiers arrived that morning from various places and met at one of the Financiers houses for preparation and prayer before visiting Jehovah Jireh Mustard Seed to give. When they arrived at the center, they were warmly welcomed by the children who sang with so much joy. The Program opened with prayer and a few words of encouragement from the financiers to the children.

The hearts of Mr and Mrs Dibe were touched, and they decided to adopt 3 children who are about to finish their matric and have also opted to pay towards their fees.

The Kingdom Financiers also contributed some money to the home to buy heaters and electricity. We as KFMI Free state would like to thank KFM INTERNATIONAL for this wonderful platform that they have given to us, we are not only touching lives but walking in our calling through KFMI.

# THURSDAY WEEKLY PRAYER SESSIONS

## *A Covenant of Salt*

14 JULY 2022

This particular Thursday prayer meeting was special and different from any other. God of Major 1 revealed to us His plans over us as Kingdom Financiers. This is the day where any question you may have had about who you were, what you have been called to be, was assured, and confirmed. One thing is for sure, it is not by choice that we became Kingdom Financiers, but it is our determined path. This revelation was sealed with a covenant of salt.

The God of Major 1 wants our families, our businesses, our lives, our finances preserved. He is preserving us from falling, from failing and from anything the enemy had been planning against us. He has assigned us His Prophet Major 1 to see this through the prayer of preservation and the prophetic instructions using salt.

Some may ask why salt? As we know salt is precious and has value. In the bible we read how Elisha used salt to heal water. We have also read scriptures that refer to us as the salt of the earth. There are other scriptures that also refer salt as being good. We know this as we use salt for seasoning in our food to taste. We also know it has value as salt was once used for barter trade.

**The Lord called for this gathering, as He instructed the prophet, that before the end of this month, he should approach God's throne with his Kingdom Financiers. This was the oracle from the Lord spoken to us, with our hands washed with salt water, anointed with oil, and with our hands laid upon our documents:**

*“I have called your partners by My own purpose, to fulfill the prophetic destiny to the whole world. Why do they cry for their personal needs, yet I have the whole world to reach out with My gospel? I AM not a person, I Am the Lord Your God, The Creator of the whole world. I have spoken, let those who have ears hear for I DO NOT blabber, I DO NOT Joke.*

*I AM the Lord God Almighty, The God of the Universe. Jehovah The Holy One IS I. This word must reach all partners. Let them reach them, Jehovah, Jehovah Holy One IS I. Established One I have spoken, and IT IS I. All you sons and daughters hear this word, I Have called you for this very purpose to build Me a sanctuary, to build Me a house. To take My message far and beyond. You shall obey My instruction for I will bless you with everlasting Love.*

*I establish My covenant with you tonight. Do not fear what is coming ahead of you, do not see what you are passing through. I will make you go through it, and you will not be harmed. I establish My Covenant and it shall be so. For I DO NOT speak which I cannot do. I DO NOT promise that which I cannot perform. Tonight, I have set you up apart, tonight I have ordained you. Tonight, I have chosen you for the work of My Glory. Go! and make it, for I AM The Lord God Almighty.*

*Power without source, I AM Jehovah without ending. I DO NOT need life; I Am the Life giver. Everlasting One is I Jehovah, Jehovah IS I. I have given you a blessing over your head, I have given you a blessing over your hands. You shall go in My Spirit, for I speak these words and I shall call you again. You shall all respond to My calling. For I Will speak to you again at the end of this month. I AM The Lord; Jehovah IS I. AMEN!”*

*Josiane Akouelevi Ekue*

Once I become a Kingdom Financier, things changed tremendously in my life, as our God, God of Major One is a Mighty God. God the Provider, God the Healer, the God Who reigns forevermore, the One who opens doors of blessings that no one can close. This is my testimony. My salary was doubled, I started building my house which is now completely finished. I started building this house in 2014, and it is only in this year (2022), that I have completed the house.

The company in which I worked for planned my retirement in February. This was then postponed to April, then to July and in the last week it has been postponed to September.

I became a millionaire with my new salary.

I was appointed at this new job in January 2020, but it's only when I become Kingdom Financier that my salary changed. I am very grateful to God because he changed my story, and my life completely. To God be the Glory!

*Elizabeth Strydom*

In one of our early Kingdom Financiers meetings this year, 2022, our Prophet, Major 1 declared that in this year 'money cometh'. He said that there was going to be a shift in our finances, and that finances would begin to come. My business has been stagnant ever since The Year of Open Doors (2019). In 2019 I was getting jobs, and it was busier than it had ever been since I started in 2014. But when Covid-19 started in 2020, everything went down again. Soon after we had the 2nd crossover in February 2022, in March I started getting lots of enquiries and jobs started coming in again. In June, I got work that paid me ZW\$ 1 780 000 (working out to about \$3500 USD). That made me a millionaire in our own currency. In addition, the small jobs that I had received since March have improved my partnership contributions compared to last year when I first joined. I glorify the God of Major 1, and I believe more is coming, in the name of Jesus.

*Faith Chata*

I am a petrol attendant, and I Joined the Kingdom Financing Ministries in 2020. I was praying to God of Major 1 to bless me with a car to take me to church. On the 6th of April I bought my car cash! Thank you God of Major 1, you have blessed me with car VW Jetta 6

*Chipso Ogopotse Jobe*

I honor the Prophetic Anointing, and the Prophetic Grace upon my Spiritual Parents. This is my testimony. I took out a loan amounting to P10,000 in November 2021, at an interest rate of 25% from a financial agency. Unfortunately, I was not able to pay back the loan as agreed. I have been paying in small installments since December 2021.

Four days ago, I sold two cows in order to clear the loan, but I was shocked when I was told that my clearing balance was P13,203.00.

I went on my knees, and asked the God of Major 1 to do something, so that I would be able sponsor His Kingdom. From that moment, I told the manager who gave me the clearance balance that I expected it to be P3,000 because I had been paying the loan back in small installments. He went silent for some time. When he reverted back to me, he said I should pay the P3,000, then he would see how to close off my account. I then paid the P3,000, and the loan was settled from P13,203 to P3,000. I thank the God of Major 1 for this miracle - He paid my debt. This enables me to register for the KFM summit. Glory be to God. I can see that this is the beginning of better things. Shalom!

*Deborah Butler*

Dear Kingdom Financiers, I have an extraordinary testimony. Not only did my insurance company total my car and pay me, but they have also paid my deductible, and then went ahead and paid the deductible back to me!

Also, my insurance company gave me a rental car for a week. I contacted them and told them that I needed a car. They contacted me, and told me to keep the 2020 vehicle I'm driving for another week. The amazing part about this is that the vehicle was an upgrade from what I had been driving!

Please listen to this. GOD of Major 1 has given me a very prestigious lawyer. First, I was told he couldn't handle my case. I waited, and a few days later, he accepted my case. However, my case was handed over to one of his other lawyers.

I sowed my sacrificial seed during the Financial Prophet's Meeting on April 30, 2022. Exactly 3 days later, I received a text message telling me my case is now being handled by the prestigious lawyer himself! He gave me a caseworker for my lawsuit, who in turn texted me, and gave me her work and personal cell number for me to contact whenever I wished!

This can only be the great GOD of Major 1!

Prophet, please pray to your GOD to give me millions to settle my cases immediately so that I can come and give to the Only Living GOD, the Great GOD of Major 1!

## TESTIMONIES

*Gloria Tebogo Modimofile*

Shalom,  
In one of the Kingdom Financiers meetings, The Prophet instructed us to write down 5 prayer points.

One of the prayer points I wrote was for a Toyota double cab. I had kept a picture of the bronze vehicle in an envelope. I applied for a loan from my place of employment in March 2021 to purchase the vehicle from Zeerust Toyota in South Africa. My employers paid Zeerust Toyota directly through EFT. To my surprise when the car was delivered, it came in exactly the same color as the one in my envelope, even though I did not specify the color to them. I would like to thank the God of my Father for this miracle, and thank Him in advance for debt cancellation, and a garage for parking my new vehicle.  
Thank you

Shalom!  
I am from South Africa, Kempton Park.  
I went and collected the game changer anointing oil on the 5th of May 2022, from the Kempton Park coordinator. The following day (6th of May 2022) I received a call from my younger sister telling me that she got a new position as a data capturer. She's been working as a teller/cashier for years.

I want to honor the grace and the anointing on your life my Prophet, that is working in my family and in my life. My family has been delivered from the spirit of stagnation, and I am believing more from the God of Major!

I did not have enough money to cover my rent, so I gave \$500 as a sacrificial seed in the last Kingdom Financiers Meeting. I received almost \$5000 bonus on my paycheck. This enabled me to pay my rent, and all other outstanding bills that had piled up. I had also said to God we shouldn't have to buy chairs for church out of the church account, I want to buy the chairs out of my account, so I bought 52 chairs for my church Amen!

I can't wait to invest more into the Kingdom of God. I want to follow in my Prophets footsteps as a Financial Prophet
