

Date: 24th December 2022, Closing Prayers for the Prophet's Holy Fast

Oracle to the Partners through Major 1; Prophet Shepherd Bushiri for 2023

In 2023 all Kingdom Financiers across the world, The Lord wants you to pray about your finances. Just as diligently as a soldier keeps a watch over his flock, a rich man's wealth is his strong ceiling. If you want to be rich you have to think like a rich person in 2023. Stop thinking of poverty! Stop thinking of delays! Stop thinking of stagnations! For the Lord God has set you up on the mountain top in order to become a millionaire who shall finance His Kingdom.

You do not have to love money to do this, for the love of money is the root of all evil. But the Lord says; ***"I give all wealth to you to become a blessing. I give all wealth to you in order to become a blessing. In 2023 I will open doors and channels which no one has ever opened. Wealth is a blessing. But Remember that a thief comes only to steal, to kill and to destroy."***

It is Important to understand that every blessing the Lord has given you, or He will give you in 2023, The thief will put his eye over that blessing. The more attractive your miracle will be, the more targeted you shall be in 2023. The Lord says; ***"I do not want you to be afraid, I did not give you fear. For I gave you the spirit of power and of sound mind. Sometimes I will allow you to have the tides so that I may teach you how to handle wealth. Think about how I do it, the cattle on a thousand hills are mine. Everything is mine, in Heaven and on earth. But Do I let things runoff to their own devices? NEVER! I Am The Lord, I keep watch over them; even the smallest sparrow. That is why all things are safe in my hands. This is the same grace and blessing that I want to give you. To handle wealth, to manage wealth and to maintain it. I want you to take wealth management seriously as I do. I do not want you to forget the first task I gave humankind when I made Adam, it was to take care of what I created. You are my original caretakers. So Now, in this season in this year I need you to come back to the position I originally prepared for you. You are still my caretakers, I need you to steward everything I give you. To the absolute best of your ability, which is my ability because Christ is in you. It does not matter if you think you have little or have much; What I am interested in is stewardship. If you are able to handle what I give you; If you are ready to handle what I will give you in the next year. If you take care of what I give you, I will give you more to steward. Remember, everything is Mine; and I am looking for faithful stewards to be My hands and feet on earth. To help Me care for what belongs to Me. So will you help Me? Will you do what I have asked you to do in 2023? Knowing that you own nothing and I own everything, will you obey My commands? Will you obey Me and keep your heart right before Me, as a steward and not as an owner? And If you will; Will you begin to keep watch over what I have entrusted to you as faithfully and diligently as I do? If you do these things, your reward will be great both in this age and in My Kingdom in Heaven. So, I give you a mandate to seek my face daily. To pray over your finances daily. Imagine if you were a soldier given a task to guard over some resources and wealth, wouldn't you every time and everyday go to watch over your enemies? So, why don't you watch over what I am giving you, the resources and the wealth? You shall pray for everything I give you every single***

FINANCIERS INTERNATIONAL

day. If you have to become what I The Lord is making you tonight, you shall pray everyday for your finances. For they are not yours, you are a steward of the millions I am going to put in your hands. Take care of them, and I will use you. I Am the Lord and I have spoken! Take this word all you Kingdom Financiers, I have spoken!"

Thus sayeth the Lord, through His Prophet, Major 1
